(831) 649-2870

AskMarine@wildlife.ca.gov

Office is closed to the public. Licenses are not sold at this office.

NONDISCRIMINATION

Any person excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any program of the California Department of Fish and Wildlife, on the grounds of age, race, national origin, disability, religious or political affiliation, color, sex, ancestry, marital status, or sexual orientations, should contact the nearest regional office of the Department or its headquarters located at 715 P Street, Sacramento, CA 95814, (916) 445-0411. In addition, you may contact the U.S. Equal Employment Opportunity Commission, Washington, D.C. 20506 or a local EEOC office listed in your phone directory under U.S. Government.

Alternate communication format available upon request, call (916) 322-8911. Call the California Relay (telephone) Service for the deaf or hearing-impaired from TDD phones at 800-735-2929 or 711.

PARTICIPATING IN THE REGULATORY PROCESS

The California Fish and Game Commission is composed of five members who are appointed by the Governor and confirmed by the State Senate. The Commission establishes hunting and sport fishing regulations including seasons, bag and possession limits, methods of take, area descriptions and any special conditions. In addition, the Commission formulates general policies for the Department of Fish and Wildlife. Monthly topical meetings are held to hear regulation change proposals. The public may make recommendations in writing before a Commission meeting or present its proposals verbally at the meeting. The Commission's meeting schedule, including specific topics, dates and locations, is posted on their web site fgc.ca.gov.

Written comments can be directed to the Fish and Game Commission at P.O. Box 944209, Sacramento, CA 94244-2090, or by e-mail to fgc@fgc.ca.gov. Comments sent by e-mail should include a full name and mailing address. The Commission also has established a list server for information distribution available on their web site fgc.ca.gov.

READY TO MAKE A DIFFERENCE?

NOW HIRING WILDLIFE OFFICERS!

wildlife.ca.gov/Enforcement

IT IS UNLAWFUL TO DO THE FOLLOWING

It is the hunter's responsibility to know and follow the law.

The California statutes governing many aspects of hunting, firearms, fishing, and the use of public lands, are found in the California Fish and Game Code (FGC). Hunting and fishing activities are further regulated by the California Code of Regulations, Title 14, Natural Resources (CCR, T14), and the California Penal Code (PC). These documents may be accessed through the Department of Fish and Wildlife website: wildlife.ca.gov.

Additionally, California counties and cities have adopted local ordinances which regulate and restrict hunting activities within their jurisdiction.

The Code of Federal Regulations (CFR), governs many aspects of hunting and fishing on federal lands, specific species, and other activities under federal jurisdiction.

(These are not complete regulations. Some sections are abbreviated.)

Licenses

Transfer, use, possess or alter any license, tag, stamp, permit, application or reservation. (FGC 1052)

Hunt any game bird or mammal without having the required licenses, tags and/or stamps in possession. (FGC 1054.2)

Fail to exhibit on the demand of a Wildlife Officer, all licenses, tags, fish, or wildlife taken or otherwise dealt with under the Fish and Game Code, and any device or apparatus designed to be, and capable of being, used to take fish or wildlife. (FGC 1012)

Damage another's property or injure livestock while hunting. FGC 2004.

Prohibited Species

Take spike buck. CCR T14- 351(c).

Methods of Take

Use an artificial light to assist in taking any game bird or game mammal. FGC 2005(a).

Use of a shotgun larger than 10 gauge for the taking of any game bird or game mammal, or a shotgun capable of holding more than three shells in the magazine and chamber combined. FGC 2010; CCR T14-311 and 353(b).

A rifle or shotgun shall be deemed to be loaded for the purposes of this section when there is an unexpended cartridge or shell in the firing chamber but not when the only cartridges or shells are in the magazine. FGC 2006.

Take game birds, game mammals or furbearing mammals except as permitted by regulations. CCR T14-250.

Hunt with a crossbow during archery season (except with a Disabled Archer Permit). CCR T14-354(g).

Possess a firearm while hunting during archery season or while hunting during the general season with an archery-only tag. CCR T14-354(h).

Pursue, drive, herd, or take any bird or mammal from any type of motor-driven air or land vehicles, motorboat, airboat, sailboat, or snowmobile, except when the motor is off and/or the sails furled and it is drifting, beached, moored, resting at anchor, or is being propelled by paddle, oar or pole. CCR T14-251.

Hunt with bow or crossbow that will not cast a legal hunting arrow, except flu-flu arrows, a horizontal distance of 130 yards. CCR T14-354(f).

Use dogs for pursuit/take, or for dog training, during the archery seasons for deer or bear. CCR T14-265(a)(1).

Use dogs to take, bear, bobcat, elk, bighorn sheep and antelope. CCR T14 265 (a)(2).

Use dogs for pursuit/take of, or for dog training on, mountain lions (except under authority of a depredation permit). CCR T14-265(a)(3).

The provisions of this section shall not apply to peace officers or members of the armed forces of this state or the United States, while on duty or going to or returning from duty. FGC 2006.

Possess in any State Game Refuge any bird or mammal or part thereof, or any weapon capable of taking any bird or mammal. FGC 10500.

Possession of firearms or bows and arrows by persons traveling through game refuges on a public highway or other public thoroughfare or right of way is permitted when the firearms are taken apart or encased and unloaded, and the bows are unstrung. FGC 10506.

STAY CONNECTED TO CDFW

Having your e-mail address and mobile number will enable the CDFW to send you information you can use, such as license renewal and courtesy report card deadline reminders, and California fishing information. When purchasing a license from a license agent or when you log in to the Online License Sales and Services, update your communication preferences and provide your e-mail address and mobile number.

<https://www.ca.wildlifelicenses.com/InternetSales/>

Fish and Game Code, Section 1050.6, and California Government Code, Section 11015.5, prohibit the CDFW from selling or sharing your personal information with any third party.

IT IS UNLAWFUL TO DO THE FOLLOWING

National Parks and Monuments have special regulations regarding the possession of weapons, game and the running of hunting dogs. Check with federal officials before entering these areas.

Use of Bait

Knowingly feed big game mammals. CCR T14-251.3.

Take game birds and mammals within 400 yards of any baited area. This does not apply to the taking of game birds and mammals on or over standing crops, croplands, or grains found scattered solely as the result of normal agricultural operations or procedures. CCR T14-257.5.

Take bears within 400 yards of any garbage dump or bait. CCR T14-365(e).

Hunting Hours

Hunt big game from one-half hour after sunset to one-half hour before sunrise. CCR T14-352.

Firearm Safety

Possess a loaded rifle or shotgun in any vehicle or conveyance or its attachments which is standing on or along or is being driven on or along any public highway or other way open to the public. FGC 2006.

Nock or fit the notch in the end of an arrow to a bowstring or crossbow string in a ready-to-fire position while in or on any vehicle. CCR T14-354(i).

Possess a short barreled shotgun (Barrel less than 18 inches), or a short-barreled rifle (Barrel less than 16 inches). PC 33210.

Second Deer Tag/Drawing Application	
Resident	\$50.76
Nonresident	\$361.90

BEAR TAG

Resident	\$60.22
Resident Junior	\$32.40
Nonresident	\$381.30

WILD PIG VALIDATION

Resident	\$27.00
Nonresident	\$97.20

BIG GAME DRAWING APPLICATIONS

Elk Tag Drawing Application	\$8.13
Pronghorn Tag Drawing Application	\$8.13
Bighorn Sheep Tag Drawing Application ...	\$8.13

OTHER FEES

Duplicate Big Game Tag**	\$13.13
Deer Tag Non-Reporting Fee	\$21.60

HUNTER EDUCATION

Hunter Education	
Equivalency Exam***	\$68.50
Duplicate Hunter Education Certificate****	\$8.64

* Initial qualification must be done at a CDFW license sales office, see [page 10](#) for more information.

** Available at any CDFW license sales office.

*** Available at regional CDFW license sales offices only by appointment. NOTE: Not recognized as proof of Hunter Education.

**** Customers with CDFW verified Hunter Education Certificates in their ALDS customer record may purchase duplicate hunter education certificates at license agents or online.

Interested in a Lifetime Hunting License?

Visit wildlife.ca.gov/Licensing/Lifetime for details!

FOREWARD

This booklet contains information from both the California Fish and Game Code (FGC) and Title 14 of the California Code of Regulations (CCR). For detailed information, refer to the appropriate code or contact the Department of Fish and Wildlife (Department).

These excerpts are provided as a courtesy and are not to be used as legal documents. Since the regulation and FGC sections may be amended at any time, it is the reader's responsibility to be knowledgeable of, and abide by, all laws and regulations in effect at the time they participate in any commercial fishing activity. Any discrepancies between this document and the regulation and FGC sections from which they were prepared will be enforced and adjudicated according to the official code sections and regulations in effect on the date the activity takes place.

The official California Code of Regulations may be accessed through Thompson Reuters Westlaw at <https://govt.westlaw.com/calregs/Index>. The official Fish and Game Code may be accessed through California Legislative Information at <http://leginfo.ca.gov/faces/home.xhtml>.

California Fish and Game Commission

The Mission of the California Fish and Game Commission is, on behalf of California citizens, to ensure the long term sustainability of California's fish and wildlife resources by:

- Guiding the ongoing scientific evaluation and assessment of California's fish and wildlife resources;
- Setting California's fish and wildlife resource management policies and ensuring these are implemented by the Department of Fish and Wildlife;
- Establishing appropriate fish and wildlife resource management rules and regulations; and
- Building active fish and wildlife resource management partnerships with individual landowners, the public and interest groups, and federal, state, and local resource management agencies.

Department of Fish and Wildlife

The mission of the Department of Fish and Wildlife is to manage California's diverse fish, wildlife, and plant resources, and the habitats upon which they depend, for their ecological values and for their use and enjoyment by the public.

The Department is charged with the administration and enforcement of the FGC and Title 14. The Department is organized with the Director and headquarters staff in Sacramento, and seven regional managers coordinating the operations in their respective portions of the state. The Director is the appointing power of all Department employees, who are responsible to the Director for the proper performance of their duties and responsibilities.

Most of the revenue for the Department comes from the Fish and Wildlife Preservation Fund, with a limited amount from other sources (General Fund, Sport Fish Restoration Act, Environmental License Plate Fund, and grants). The Fish and Wildlife Preservation Fund is supported by the sale of sport fishing and hunting licenses, commercial licenses, fish landing taxes, and fines and penalties assessed for violation of Fish and Wildlife laws.

All laws or regulations hereunder are either reproduced verbatim from the Fish and Game Code or from Title 14 of the California Code of Regulations, as adopted by the California Fish and Game Commission under authority of the Fish and Game Code.

All references to state highway, interstate highway and U.S. highway numbers appearing in regulations are as designated on the current California State Highway map issued by the Business, Transportation and Housing Agency at the time such regulations were adopted by the California Fish and Game Commission.

WHAT'S NEW IN 2024

Deer Tag Classification Changes

For the 2024 deer hunting season, the following deer tags have changed classifications. Please refer to the 2024 Deer Hunts beginning on page 30 for more information.

From **Premium** deer tags to **Restricted** deer tags:

A22 – tag quota filled on 8/2/2023

D6 – tag quota filled on 7/6/2023

From **Premium** deer tags to **Unrestricted** deer tags:

A18 – tag quota filled on 9/4/2023

D16 – tag quota filled on 9/5/2023

From **Restricted** to **Unrestricted** deer tag:

A32 – tag quota filled on 8/29/2023

Wild Pigs Reclassified

As a result of SB 856 (2021), wild pigs have been removed from the definition of Big Game and reclassified as Exotic Game Mammals. Despite this reclassification, wild pig hunting remains in this Big Game Digest.

Wild Pig Validation

Resident and nonresident hunters, 12 years of age and older, with a valid annual or two-day California hunting license may purchase a wild pig hunting validation. Wild pig validations will be available for purchase starting April 15, 2024, and will be valid for use July 1, 2024. There is no limit on the number of wild pigs one person may harvest with a validation; fees are

nonrefundable and cannot be transferred from one person to another. Wild pigs no longer need to be tagged; however, the hunter is required to have their license and validation on their person while with a harvested pig.

New Reporting Requirements

Hunters are now required to report pig harvest at the end of the season in the Automated License and Data System. Reporting requirements include the number of pigs harvested by month and by county (T14 CCR 708.13).

New Grizzly Island Bull Tags

- Hunt period 10 added 1 Bull tag
- Hunt period 12 added 1 Bull tag
- Hunt period 13 added 3 Bull tags

Proposed Tag Quotas

Some proposed tag quotas are pending adoption at the April 17-18, 2024 California Fish and Game Commission Meeting, as indicated by asterisk. Data from aerial surveys ([see page 6](#)) indicate that pronghorn populations in Zone 3 were severely impacted by 2023 winter conditions; as a result, tag quotas are anticipated to be reduced by the Commission, and are not listed in the table on [page 55](#). For more information, please refer to the FGC meeting documents, anticipated to be posted one week prior to the meeting, at nrm.dfg.ca.gov/FileHandler.ashx?DocumentID=220272&inline.

GENERAL INFORMATION

Hunting License Requirements

First-time applicants applying for a hunting license through the CDFW's ALDS must present one of the following as evidence of hunter education when applying for a California hunting license:

An annual California hunting license issued in any prior year;

A Two-Day Nonresident California Hunting License issued after the 1999/2000 license year;

A California certificate of hunter education completion or equivalency with a unique number imprinted on it ex: (AA00000) or a California hunter education certificate with no unique number imprinted and a California hunter education validation stamp affixed;

A certificate of successful completion of a California-approved hunter education course from any state or province; or

A current hunting license or a hunting license issued in either of the two previous years from any state, province, European Union country or South Africa.

Applicants that have previously purchased a hunting license through CDFW's ALDS will already have the required proof of hunter education evidence in their customer profile. To ensure the appropriate customer profile is retrieved at a license agent, the CDFW recommends hunters provide the license agent with a previously issued ALDS license.

Validation of License

To be valid, every California hunting license shall be signed by the licensee. Proof of identification must be presented at the time of initial purchase. In addition, the license must contain the following information about the licensee: true name, residence address, date of birth, height, weight, color of eyes, color of hair, and sex.

INTERSTATE WILDLIFE VIOLATOR COMPACT

The Interstate Wildlife Violator Compact (IWVC) is an agreement between 26 states, which allows for the reciprocal recognition of hunting, fishing and trapping license suspensions. If your license privileges have been suspended by another state, the suspension may be recognized here in California. For example, if your sport fishing, hunting or trapping privileges have been suspended in Colorado for five years, your privileges may also be suspended for five years in California or any of the states participating in the IWVC. The purchase of licenses or tags during the term of the suspension is a violation of the law and may result in prosecution.

Acceptable proof of identification:

- Any license document or GO ID number previously issued via ALDS
- A valid driver's license or identification card issued to him or her by the Department of Motor Vehicles or by the entity issuing driver's licenses from the licensee's state of domicile
- US Birth Certificate
- US Certificate or Report of Birth Abroad
- Tribal Identification Card, as defined by each sovereign tribal nation
- Birth Certificate or passport issued from a US Territory
- US Passport
- US Military Identification Cards (Active or reserve duty, dependent, retired member, discharged from service, medical/religious personnel)
- Certificate of Naturalization or Citizenship
- A foreign government-issued photo identification

Applicants who are less than 18 years of age may provide any form of identification previously described or a guardian's identification (parent or legal guardian identification listed).

License Provisions

A valid California hunting license is required to take any bird or mammal. Hunters must carry licenses and be prepared to show them upon request to any peace officer. Guns and other equipment used in hunting must be shown upon request.

A 2-Day Nonresident California Hunting License is valid only for taking resident and migratory game birds, resident small game mammals, fur-bearing mammals wild pigs, and non-game mammals. A 2-Day Nonresident California Hunting License is not valid to hunt bighorn sheep, bear, deer, elk, or pronghorn.

Junior Hunting License Eligibility

To qualify for a junior hunting license, a hunter must be less than 16 years of age as of July 1, of the license year for which they are applying.

Disabled Veteran and Recovering Service Member Hunting Licenses

CDFW offers reduced fee hunting licenses for Disabled Veterans and Recovering Service Members.

Honorably discharged disabled veterans (resident or nonresident) with a 50 percent or greater service-connected disability are eligible for a reduced fee hunting license. Applicants must submit a letter from the Veterans' Administration documenting that you were honorably discharged from the US military and have a service-connected disability rating of 50 percent or greater.

Recovering service members are eligible for a reduced fee hunting license while undergoing medical treatment, recuperation, or therapy, and are in an outpatient status while recovering from a serious injury or illness related to the member's military

GENERAL INFORMATION

service. Applicants must submit a letter from your commanding officer or military medical doctor verifying your eligibility as a recovering service member, including the expected recovery date in your verification letter.

To prequalify, applicants must submit the document of eligibility along with a photocopy of your personal identification and GO ID by fax to (916) 419-7585 or by secure document upload. To upload your documentation, please email your request to LRB@wildlife.ca.gov and follow the link provided in the response. You may also apply by mail or in person at any CDFW license sales office. For more information please contact your nearest CDFW license sales offices or visit our web site at wildlife.ca.gov/licensing/hunting. Hunting tags and validations must be purchased at full price.

Upland Game Bird and California Duck Validation

Any person (except junior hunters) must have an Upland Game Bird Validation when hunting pheasant, dove, turkey, quail, grouse, ptarmigan, snipe, band-tailed pigeon, partridge or chukar. A California Duck Validation authorizes any person to hunt waterfowl in California (along with the Federal Duck Stamp and free HIP Validation). CDFW knows that many hunters collect the physical stamps. Hunters who purchase these validations can claim their collectible stamp online at the address printed on their 2024 hunting licenses. Stamps will be mailed at the end of the license year (after July 1, 2025).

Harvest Information Program (HIP) Validation Requirement

If you plan to hunt migratory game birds in 2024-25 (ducks, geese, coots, dove, band-tailed pigeon, snipe, gallinules or black brant) you must complete a Harvest Information Program (HIP) survey. To take the survey you must request a HIP validation at any CDFW license sales office, license agent, or online. There is no charge for the HIP validation. Hunters may be cited for hunting migratory game birds without a HIP validation in their immediate possession.

Duplicate Licenses

Your customer record contains a history of all your license purchases. If you lose your license or additional validations, you can go to any CDFW license sales office, license agent, online or by telephone sales and purchase a duplicate license and validations.

Disabled Entitlements

The CDFW offers the following free disabled entitlements to any resident or nonresident hunter that meets the qualifications. These entitlements must be certified by a licensed physician and submitted to the CDFW's License and Revenue Branch. Hunters that qualify for these entitlements must also have a valid California hunting license in possession while hunting.

Disabled Archer Permit

A disabled archer permit is available to any hunter who has permanent loss, significant limitation, or diagnosed disease or disorder, which substantially impairs one or both upper extremities preventing the hunter from drawing and holding of a bow in a firing position. The Disabled Archer Permit authorizes the disabled archer to use a crossbow or device which holds a string and arrow in the firing position, to assist in the taking of birds and mammals under the conditions of an archery tag or during archery season.

Certification from a licensed physician is required. If the physician indicates on the initial application that the disability is permanent, hunters may renew the permit every year at any CDFW license sales office, license agent, online or by telephone sales.

If the disability is temporary, the physician is required to enter the end date of the disability on the application. Temporary permits may be renewed at any CDFW's license sales office, license agent, online or by telephone sales every year until the temporary disability end date; once the end date has passed, re-certification is required.

Disabled Muzzleloader Scope Permit

A disabled muzzleloader scope permit is available to any visually impaired hunter having a permanent loss, significant limitation, or diagnosed disease or disorder, which substantially impairs the vision of a hunter, preventing the hunter from viewing and aligning the sights of a muzzleloader rifle with the target in order to hunt deer. The Disabled Muzzleloader Scope Permit allows the hunter to use a 1X scope on a muzzleloader rifle while hunting under the conditions of a muzzleloader deer hunt tag. Hunters must renew the permit each license year, but hunters may provide a copy of their previously issued permit to the CDFW's License and Revenue Branch to renew annually.

Mobility Impaired Disabled Persons Motor Vehicle Hunting License

A Mobility Impaired Disabled Persons Motor Vehicle Hunting License is available for any mobility impaired disabled hunter who must use a motor vehicle to pursue game. The Mobility Impaired Disabled Persons Motor Vehicle Hunting License allows a hunter to discharge a firearm from a vehicle that is stopped and its engine turned off. To qualify a person must be either permanently or fully confined to a wheelchair, a single or double amputee above the knee or double amputee below the knee, or depend upon the aid of a walker, crutches, etc. to walk. Certification from a licensed physician is required. The license is only available from the CDFW's License and Revenue Branch.

Hunter Education

Class Options

Hunter education classes include instruction in firearms safety and handling, sportsmanship and ethics, wildlife management and conservation, archery, black powder, wildlife identification,

GENERAL INFORMATION

game care, first aid, and survival. Classes are offered in three formats:

1. Traditional (minimum of 10 hours of classroom, homework, and field instruction) or
2. Online course and follow-up class. For more information or to register for a class, visit wildlife.ca.gov/Hunter-Education.
3. Online only certificate course. For more information, visit wildlife.ca.gov/Hunter-Education.

Hunter Education Equivalency Exams

Hunter education equivalency exams are given by appointment only at CDFW regional offices for a fee. In some states, the California equivalency certificate may not be accepted as evidence of hunter education. For more information on the hunter education equivalency exam, contact your nearest CDFW regional office.

Duplicate Hunter Education Certificates

Duplicate hunter education certificates can be issued to any person who completed and passed a hunter education class. If the class was completed prior to 1989, CDFW does not have records before this date; the hunter should contact the original instructor, club, or organization where the course was taught to obtain a duplicate. If the hunter is unable to obtain a duplicate

through these means, they will have to repeat the course. Visit the hunter education web page at wildlife.ca.gov/Hunter-Education for more information.

Advanced Hunter Education

Advanced Hunter Education Clinics are species-specific or skill-specific. Learn how to field dress a deer, call in a mallard, find your way out of the woods, process and prepare your game for the table, plus much more!

Upcoming Clinics include:

- Elk Hunting
- Pronghorn Hunting
- Hunting Fitness: Some Strategies for the Everyday Hunter
- Hunting with Kids: The Next Generation of Hunters
- Wildlife Tracking

For additional information, including clinic dates and locations, visit wildlife.ca.gov/Hunter-Education/Advanced.

Bowhunter Education Class

Although bowhunter education training is not required in California, many states do require it for all bowhunters. CDFW's bowhunter education program meets the requirements of all states. For more information or to register for a class, visit wildlife.ca.gov/Hunter-Education.

BIG GAME DRAWING WORKSHEET

State of California - The Natural Resources Agency
DEPARTMENT OF FISH AND WILDLIFE

2024 BIG GAME DRAWING WORKSHEET FOR APPLYING AT A LICENSE AGENT

DO NOT MAIL OR FAX WORKSHEET TO THE DEPARTMENT OF FISH AND WILDLIFE

This worksheet is to assist the sales clerk in entering your hunt choices. Select your hunt choices prior to visiting a license agent. All sales transactions for the Big Game Drawing must be completed before midnight on June 2, 2024. You may apply at any CDFW license sales office, license agent, online at www.ca.wildlifelicense.com/InternetSales or by telephone sales at

(800) 565-1458. **Mailed or faxed worksheets will not be accepted at a CDFW office.**

VERIFY THAT YOUR HUNT CHOICES ARE CORRECT ON YOUR DRAWING RECEIPT BEFORE LEAVING THE LICENSE AGENT. NOTE: Do not leave this worksheet with the sales clerk.

DEER

Deer Tags and General Information

In addition to a valid California hunting license, deer tags are also required and must be in possession when taking deer. Hunters may obtain two deer tags per license year. Applicants for deer tags must be at least 12 years of age on or before July 1 of the license year for which they are applying or at the time of application if they are applying after July 1. A First-Deer Tag Drawing Application or First-Deer Tag must be purchased before or at the same time as a Second-Deer Tag Drawing Application (junior hunters only) or Second-Deer Tag.

License and Tag Privileges Can Be Revoked

It is illegal to purchase more than one First-Deer Tag Drawing Application/First-Deer Tag and one Second-Deer Tag Drawing Application/Second-Deer Tag in the same license year. Persons convicted of a deer violation during the 2023-24 license year may not apply for deer tags in 2024-25.

The Fish and Game Code provides that the California Fish and Game Commission shall revoke the hunting privileges of any person who is convicted of three violations of the state's hunting laws or regulations within any five-year period. (FGC 12155, CCR T-14 745.5).

Deer Tag Information

Applicants may purchase deer tags or apply in the annual Big Game Drawing at any CDFW license sales office, license agent, online at www.ca.wildlifelicense.com/InternetSales or by telephone sales at (800) 565-1458. Allow 15 days to receive license items purchased online or by telephone.

Premium deer tags are issued by drawing. Restricted and unrestricted deer tags are issued upon request until the tag quota for the hunt is filled.

Hunt Tag Descriptions

A, B, and D Zone Hunt Tags

These tags allow hunting during the archery season with archery equipment only and during the general season with a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow. Tags are valid for a specific zone of issuance except:

A zone deer tag is valid in both A North and A South;

B zone deer tags are valid in any B zone;

D3-5 deer tags are valid in zones D3, D4, and D5; and

D11, D13, or D15 tags may be used in any of these three zones.

C Zone Hunt Tag

A C zone tag is valid in zones C1, C2, C3, and C4 during the general season only, using a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow. To

hunt with archery equipment only during the archery season in any C zone you must apply in the Big Game Drawing for an A1 Area-Specific Archery Hunt tag.

X Zone Hunt Tags

These tags allow hunting during the general season only, in a specific zone using a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow.

Archery-Only (AO) Hunt Tag

The AO (Archery-Only) tag allows hunting with archery equipment only during the archery and general seasons in A, B, or D zones and Hunt G10 (military only). To hunt during an X zone archery season, you must have an Area-Specific Archery Hunt tag for the appropriate zone. You may not possess a firearm or crossbow when hunting under the authority of an Archery-Only deer tag except as otherwise provided.

Apprentice Hunt Tags

Applicants must be less than 16 years of age as of July 1, of the license year for which they are applying, and must possess a valid 2024-25 California Junior Hunting License. See [page 33](#) for more information on Apprentice Deer Hunts. Junior hunters receiving Apprentice Deer Hunt tags must be accompanied by an adult 18 years of age or older while hunting.

Area-Specific Archery Hunt Tags

These tags allow archery hunting in designated areas throughout the state, including X zones.

Military Lands Hunts

J10 and A33 (Additional Hunt Deer Tags), are held on military installations and offer limited number of tags for the public. Tags are issued through the CDFW's Big Game Drawing. The G8 hunt has been cancelled by the Base Commander for the 2024 hunting season.

Additional Military Lands Hunts, G7 (Beale Air Force Base Either-Sex Hunt), G10 (Camp Pendleton Marine Corp Base Either-Sex Hunt), and G11 (Vandenberg Air Force Base Either-Sex Hunt) are for military personnel only. Military personnel must contact the base directly for information on application procedures. Hunters interested in the G7 hunt tag may contact the Beale AFB Natural Resources Office at (530) 634-2738. For information on the G10 hunt tag contact the Camp Pendleton Marine Corp Base at (760) 725-3360.

Deer Tag Exchanges

Premium deer tags cannot be exchanged. Non-Premium deer tags may be exchanged if all of the following conditions are met:

The earliest season (either archery or general) for the tag being exchanged has not yet opened;

The tag quota for the tag being exchanged has not filled;

DEER

Tags are still available for the zone being requested; and

The exchange fee of \$13.13 for the exchange tag accompanies your request.

Deer tag exchanges are only processed at CDFW license sales offices (CCR T14-708.4).

Deer Tag Refunds

Deer tag fees are nonrefundable. Deer Tag Drawing Application fees are nonrefundable once the deer tag application has been entered into the Big Game Drawing or a deer tag has been issued regardless of closures of any zone or hunt due to fire, weather or other natural disasters.

Deer Definitions

Antlerless Deer

Female deer, fawns of either sex other than spotted fawns, and male deer with an unbranched antler on one or both sides which is not more than three inches in length (CCR T14-351(b)).

Either-sex Deer

Antlerless deer, or legal bucks that have two or more points in the upper two-thirds of either antler (CCR T14-351(c)).

Forked-horn Buck

A male deer having a branched antler on either side with the branch in the upper two-thirds of the antler. Eyeguards or other bony projections on the lower one-third of the antler shall not be considered as points or branches (CCR T14-351(a)).

Spike Buck Deer: A male deer with unbranched antlers on both sides which are more than 3 inches in length (FGC 204(d)).

Deer Tag Classifications

Deer tags are issued for a specific hunt. Each hunt has a tag quota – the total number of tags that can be issued. Deer hunts are categorized into three different classifications (premium, restricted and unrestricted) based on the prior year's demand for the tag. Hunt classification determines tag issuance method and other rules as follows:

Premium Deer Hunts

Are any hunt where the quota filled on or before the first business day after July 1, of the previous year. Hunters may only obtain one premium hunt tag per license year. To apply for a premium deer hunt tag, hunters must apply in the Big Game Drawing using a First-Deer Tag Drawing Application. Except junior hunters who may also apply for premium Apprentice Hunts using a Second-Deer Tag Drawing Application.

Premium Deer Tags for 2024 are:

General Zone Hunts: C, D9, D12, D14, and D17;

X Zone Hunts: X1, X2, X3A, X3B, X4, X5A, X5B, X6A, X6B, X7A, X7B, X8, X9A, X9B, X9C, X10 and X12;

General Methods Hunts: G1, G3, G6, G12, G13, G19, G21, G37, G38 and G39;

Muzzleloader Hunts: M3, M4, M5, M6, M7, M8, M9, M11, MA1 and MA3;

Area-Specific Archery Hunts: A1, A3, A4, A5, A6, A7, A8, A9, A11, A12, A13, A14, A15, A16, A17, A19, A20, A21, A24, A25, A26, A27, A30, A31, and A33;

Apprentice Hunts: J1, J3, J4, J8, J9, J10, J11, J12, J13, J14, J15, J16, J17, J18, J19, J20 and J21.

Restricted Deer Hunts

Are any hunt that filled on or before the first business day after August 1 of the previous year. Restricted deer hunt tags may be issued upon the purchase of a First-Deer Tag. Second-Deer Tag applicants may also obtain a restricted deer hunt tag at any time, if you do not have a pending drawing application, have not been issued a premium deer hunt tag or restricted deer hunt tag as a First-Deer Tag. Restricted tags are issued upon request until the tag quota for the hunt is filled.

Restricted Deer Tags for 2024 are:

Area-Specific Archery Hunts: A22

General Hunt Zones: D6

Unrestricted Deer Hunts

Are any hunt that did not fill on or before the first business day after August 1, in the previous year. Unrestricted deer hunt tags are issued upon the purchase of either a First-Deer Tag or Second-Deer Tag.

Unrestricted Deer Tags for 2024 are:

Archery Only Hunts: AO, A18, and A32

General Hunt Zones: A, B, D3-5, D7, D8, D10, D11, D13, D15, D16, and D19

Tag Return for Areas Impacted by Public Land Closures Caused by Wildfires

On April 18, 2022, regulations went into effect allowing eligible tag holders whose seasons were cut short or eliminated due to public land closures caused by wildfires to return unfilled deer, elk, pronghorn antelope, and bighorn sheep tags for reinstatement of their preference points and/or refunds.

A tag holder whose hunt zone was inaccessible for sixty-six percent (66%) or more of the hunt season due to a public land closure caused by wildfire may return their unfilled tag with their written request for preference point reinstatement and/or tag refund. The tag holder must return their unfilled tag with

DEER

their written request postmarked on or prior to February 28 of the current license year for which the tag is valid. Requests postmarked after this date shall not be considered. For more information, visit wildlife.ca.gov/Licensing/Hunting#580623472-post-season-tag-returns.

First Deer Tag Drawing Application

A First-Deer Tag Drawing Application may only be used to apply for the following hunts:

First Choice – Premium Deer Hunts or PD (Point Deer) – The preference point code may be used as the first choice to obtain a preference point without competing in the first choice round of the drawing.

Second and Third Choice – Second and third hunt choices are optional and may be a premium deer, restricted deer or unrestricted deer hunt tag.

Second Deer Tag Drawing Application

A Second-Deer Tag Drawing Application may ONLY be used by junior hunters to apply for Apprentice Hunts, and only if they have not applied for Apprentice Deer Hunts on their First-Deer Tag Drawing Application.

Second-Deer Tag Drawing Application hunt choices are limited as follows:

First Choice – Must be an Apprentice Deer Hunt or PD (Point Deer) – The preference point code may be used as the first choice to obtain a preference point without competing in the first choice round of the drawing.

Second and Third Choice – Second and third choice hunts are optional and may be another Apprentice Deer Hunt or unrestricted deer hunt tag. Junior hunters may select a restricted deer hunt as their second or third tag choice ONLY if they were issued an unrestricted deer tag as their First-Deer Tag or not pending a First-Deer Tag Drawing Application.

First Deer Tag

A First-Deer Tag may be used to obtain the following:

Restricted Deer Hunt Tags

Unrestricted Deer Hunt Tags

Leftover Premium Deer Hunt Tags issued on July 2, 2024

If any premium deer hunt tags remain after the Big Game Drawing, First-Deer Tag applicants may apply for any leftover premium deer hunt tags starting at 8:00 a.m. on July 2, 2024.

Second Deer Tag

A Second-Deer Tag may be used to obtain the following:

Unrestricted Deer Hunt Tags

SHARE (SHARED HABITAT ALLIANCE FOR RECREATIONAL ENHANCEMENT)

The California Department of Fish and Wildlife's SHARE program provides public access for hunting, fishing, and other recreational activities on private land.

For property and hunt information please visit the SHARE webpage at: wildlife.ca.gov/Hunting/SHARE

Restricted Deer Hunt Tags

Leftover Premium Deer Hunt Tags issued on August 2, 2024.

Second-Deer Tag applicants may obtain any restricted deer hunt tag at any time if they do not have a pending First-Deer Tag Drawing Application or have not been issued a premium or restricted deer tag as a First-Deer Tag.

Starting at 8:00 a.m. on August 2, 2024 all Second-Deer Tag applicants may apply for any remaining deer tag regardless if you have been issued a premium or restricted deer tag already.

**Kaia F.
J15 Youth Deer**

BIG GAME DRAWING INFORMATION

All premium deer hunt tags and elk, pronghorn and bighorn sheep tags are distributed through the CDFW Big Game Drawing.

See instructions for applying in the 2024 Big Game Drawing for your elk, pronghorn, and bighorn sheep tags.

For the 2024 Big Game Drawing, 22 is the maximum number of preference points for any species a hunter can have. The CDFW started tracking preference points in 2002. To look up your total preference points, log on to your customer profile at www.ca.wildlifelicense.com/InternetSales and click on "View My Drawing Application/Preference Points."

Applying in the Big Game Drawing

Applicants can apply for the Big Game Drawing at any CDFW license sales office, license agent, online at www.ca.wildlifelicense.com/InternetSales or by telephone sales at (800) 565-1458. All transactions for Big Game Drawing entries must be completed before midnight on June 2, 2024. Applicants applying for preference points only must also submit their applications by the same date and time.

You will need to purchase a California hunting license and the appropriate Big Game Drawing Tag Applications:

First-Deer Tag Application (junior hunters may apply for Apprentice Deer Hunts on a Second-Deer Tag Drawing Application). See [page 30](#) for deer hunt codes.

Elk Tag Drawing Application, see [page 47](#) for elk hunt codes.

Pronghorn Tag Drawing Application, see [page 55](#) for pronghorn hunt codes.

Bighorn Sheep Tag Drawing Application, see [page 57](#) for bighorn sheep hunt codes.

Retrieving Your Customer Record

a. If applying at a CDFW license sales office or a license agent, provide a previous ALDS issued license for the agent to scan.

b. If applying online or by telephone sales, use the GO ID (printed above your 'STATE ID') from a previously issued ALDS license to retrieve your customer record. See instructions on [page 18](#) for more information on applying online.

Applying for Another Person

If you are applying for someone else or party members, bring their previously issued ALDS license or their identification number and date of birth.

Proof of Hunter Education Requirement

Hunter education information must already be on file in your ALDS profile. For new applicants, please bring your required proof of hunter education with you to the license agent. **NOTE:** Hunters who have purchased hunting items via ALDS already

TIP

MOST COMMON MISTAKES WHEN APPLYING IN THE DRAWING

- Online customers forget to click on the "Submit Payment" button to process the transaction. You can double check your purchase by logging back into your profile and view your license sales history at the top of the page.
- Online customers "Add to Cart" a first deer tag instead of the First Deer Tag Drawing Application located under the "Drawings" list.
- Customers leave the license sales agent with a deer tag instead of a Deer Drawing Receipt. The drawing receipt shows the hunt choices you applied for in the drawing.
- A customer who does not retrieve their existing profile, creates a duplicate profile, and is not connected to their preference points or hunter education. Therefore the customer is not able to purchase a hunting license and cannot apply in the drawing.
- Customers don't apply early and miss the deadline to apply.

have hunter education on file.

Items to Purchase

- Purchase your 2024-25 California hunting license.
- Provide the sales clerk the 2024 hunting items you would like to apply for (see the list of items from the previous column) and the hunt code for each tag application for which you want to apply. **NOTE:** For deer, you should confirm the correct order of your hunt choices.

Applying as a Party

The maximum number of party members for deer is six (6). For elk and pronghorn, only residents may apply as a party of two. Hunters cannot apply as a party for bighorn sheep. You will receive a different Drawing Receipt and Party Number for each species for which you are applying. Make sure you are giving the correct Party Number from each Drawing Receipt to the correct hunting party.

When applying for a deer, elk, or pronghorn drawing tag application you will be prompted as to whether you are:

BIG GAME DRAWING INFORMATION

- Applying alone or creating a new party (party leader).
- Joining an existing party.

The first member of the party is considered the leader. They will be prompted for their hunt choice(s) and a Party Number will be printed on their Drawing Receipt at the end of the sales transaction. Note: A Party Number is printed on every Drawing Receipt.

The party leader must provide the Party Number to additional members to 'authorize' them to join the party. Note: CDFW license sales staff and license agents do not have access to a party leader's Party Number.

When other party members apply they must tell the sales clerk they are joining an existing party, and provide the Party Number to the sales clerk (or enter it themselves if applying online). Note: If other members of the party are applying in the same sales transaction, they will not need the party number and can just indicate to the sales clerk that they are joining that person's party.

When the Party Number is entered in the drawing application screen it will bring up the hunting party and hunt choice information. The sales clerk should confirm that this is the correct party and hunt choice with the purchaser. If this is not the correct party, the sales clerk can cancel and re-enter the Party Number. If correct, the sales clerk can confirm, and this will link the new member to the party. (Note: If applying online, the confirmation screen will display for the customer with the options to cancel or confirm).

Hunters joining an existing party will be assigned the same tag choices in the same order as the party leader and all party members will be linked in the drawing together.

Party applications can be made up of transactions submitted in the same sales transaction or through several transactions. In addition, hunters can submit their drawing applications at any CDFW license sales offices, license agents, online, or by telephone sales.

IMPORTANT: Applicants will receive a Drawing Receipt for each species for which they are applying. If you were issued a first deer tag instead of a Drawing Receipt, at the license agent, you were not entered into the Big Game Drawing. You will not earn a preference point and will not be drawn for a premium deer tag.

Check Your Drawing Receipt Carefully!

Hunters should verify the information on their Drawing Receipt before leaving the sales counter. The receipt will include the applicant's name, hunt choice(s), accumulated preference points, and a Party Number. If any of the information is incorrect, the sales clerk must cancel the Drawing Receipt document and 're-sell' the application with the correct information.

License agents have only four hours to cancel a sale. If the transaction has exceeded the four-hour limit when the discrepancy is found, the applicant must contact CDFW's License and Revenue Branch prior to the June 2 deadline at LRB@wildlife.ca.gov to make any corrections.

Applying for the Big Game Drawing Online

Apply early! Don't be left out! The deadline to apply is midnight on June 2, 2024.

You must have proof of hunter education on file to purchase hunting items online. If you do not have hunter education on file, you must provide proof of hunter education to a license agent or a CDFW license sales office. You may also contact CDFW by fax at (916) 419-7587 or e-mail LRB@wildlife.ca.gov and provide proof of hunter education and GO ID, or your personal identification number. After your hunter education is updated in ALDS, you will be able to purchase hunting licenses now and in the future.

How to Apply Online

Using your last name, date of birth, and ID number (GO ID, CDL, or other ID used to create profile) log into your profile www.ca.wildlifelicenses.com/InternetSales and click on the "Purchase Licenses" link at the top of the page.

- From the Menu box on the left side of the screen, select the 2024 Hunting tab.
- Add the 2024 hunting license to your cart.
- Scroll down to the Drawings section. In the Drawings section,
- Click on "Add to Cart" to select the desired Drawing Application.

Note: Adult hunters MUST use a First Deer Tag Drawing Application when applying for deer in the Big Game Drawing. The item 'First Deer Tag' (in the TAGS section) cannot be used to apply for the Big Game Drawing for deer.

5a. If you are joining an existing hunting party, select "Join Party". You will need the Party Number of the party you wish to join. See [page 17](#) for more information on applying as a party.

5b. If you are applying alone, or if you are the first person in your party to apply, select "Apply Alone or Create New Party."

- Enter your hunt choices in the boxes provided.

BIG GAME DRAWING INFORMATION

7. Click "Submit" to enter your hunt choice. Then on the confirmation page, review your hunt choices and/or party number and click "Submit" again to complete your hunt choice entry.

8. Repeat step 4, for each species for which you are applying.

9. Add any other items you wish to purchase to the cart.

10. Click "Check Out" from the side shopping cart or click "View Cart" at the top of the page to review the items you've selected and confirm your tag choices.

11. Click on "Check Out" to start the checkout process. Review your mailing address and enter your email address if you want confirmation of your purchase emailed to you.

12. Check the box to certify that you are 18 years of age and authorize the purchase and check the "I am not a robot" re-CAPTCHA box. The transaction will not be processed if this box is not checked, which means you will not be entered in the Big Game Drawing.

13. Enter your payment information.

13. Check the box "By checking this box" and click on the "Pay Now" button. The "Transaction Complete" page will appear, stating that your order has been received and processed. Click on "Download Receipt/Licenses" so you may print your drawing receipts for your record.

Drawing Results

The CDFW has 10 business days after the deadline to conduct the drawing. Applicants may look up their drawing results on or around June 16, 2024 by entering their customer information on CDFW's website at www.ca.wildlifelicense.com/InternetSales and click on "View My Draw Application/Preference Points" at the top of the page. Applicants will also see their new preference point totals by clicking on the tab "Preference Point." On the same day, drawing results will be available by phone during regular business hours from CDFW license sales offices.

Notifying Applicants

Deer tags awarded through the Big Game Drawing will be mailed to successful applicants as soon as possible after the drawing. If you do not receive your tag by July 2, 2024, please contact your nearest CDFW license sales office.

Unsuccessful deer tag applicants will also be mailed unsuccessful deer tag notices by July 2, 2024. Notices will list available deer tags as of the notice date. It is not necessary to have the drawing notice to claim an available tag; hunters may go to any CDFW license sales office, license agent, online or by telephone sales to claim available deer tags. Hunters may use their California hunting license to retrieve their customer record.

Unsuccessful nonresidents may request a refund of the difference between the fees paid for a nonresident and a resident Deer Tag Drawing Application, if the application was submitted

and a deer tag was not issued or if a nonresident deer tag is issued, and all of the following conditions are met:

- The deer license tag is not a premium tag.
- The deer license tag is returned prior to the earliest opening date for the hunt.
- The tag quota has not been filled for the hunt.

Refund requests shall be submitted on or before March 1, each year, to CDFW's License and Revenue Branch, P.O. Box 944209, Sacramento, CA 94244-2090. If the deadline to submit the request for refund falls on a weekend or holiday, requests will be accepted until the close of business on the first state business day following the deadline to submit the request.

Successful elk, pronghorn and bighorn sheep applicants and alternates should receive their payment notices in the mail by July 2, 2024; unsuccessful applicants will not be notified by mail.

It is not necessary to have the successful tag letter to claim your tag; hunters may go to any CDFW license sales office or online to purchase your elk or pronghorn tag.

How the Drawing Works

Under a Modified Preference Point System drawing, tag quotas for each hunt are split into two portions: one portion awarded by preference point drawings; the other portion awarded in Draw-By-Choice drawings. Quota splits vary, depending on the species, total number of available tags, and other special criteria (such as those for Apprentice Hunts, elk, pronghorn and Bighorn sheep).

CDFW will conduct the drawing within 10 business days of the application deadline.

After the application deadline, when all applicant information has been verified, the computer will:

Assign each person (or party) a unique random number. Party members receive the same random number as the party leader.

Determine the preference point value for party applications by averaging all party members' preference points (total preference points of the party divided by the number of party members). Preference point averages are not rounded up or down (CCR T14-708.14(e)).

Steps in the Premium Deer Tag Drawing:

Sort all applications according to the first choice tag, then preference point totals, and then random number.

Award tag choices to applicants with the most preference points, in random number order only (starting with the lowest random number to the highest random number). Tags are awarded until the preference quota is met.

After the preference point round is completed, unsuccessful applicants are resorted by hunt choice and random number order

BIG GAME DRAWING INFORMATION

(starting with the lowest random number to the highest random number), and the computer begins awarding tags based on applicant's first-choice without consideration of accumulated preference points, until all draw-by-choice tag quotas fill or until all applicants have been processed.

All remaining unsuccessful applicants are then sorted by second choice tag, in random number order (starting with the lowest random number to the highest random number) and the computer conducts a second round of drawings for any zones and hunts with tags remaining without consideration of accumulated preference points.

All remaining unsuccessful applicants are sorted once again by third choice tag, in random number order (starting with the lowest random number to the highest random number), and any remaining tags are awarded without consideration of accumulated points.

Applicants unsuccessful for any of their hunt choices will be notified of available tags so they may reapply.

Deer tag party applications are not split to meet the tag quota if the number of party members exceeds the number of available tags (CCR T14-708.15(a)(2)). Therefore, when there are fewer tags available than the number of members in a party, the computer bypasses that application and moves on to the next application where party count is equal to or less than the remaining quota.

Steps in the Elk, Pronghorn and, Bighorn Sheep Tag Drawings:

The draw-by-choice round of the drawing is conducted first then the preference point round.

Alternates are selected in the preference point round and parties may be split when awarding the final tag. The party leader will be awarded the tag and the party member will become the first alternate for that hunt. Applicants drawn as alternates will be awarded unclaimed tags on an individual basis, in the order drawn.

Tag Quota Splits

Quota splits are established in regulations adopted by the California Fish and Game Commission based on CDFW science-based proposals and public input. Please check the Commission's web site at www.fgc.ca.gov for information on how to become involved in the regulation-setting process.

Premium Deer Hunt Tags

Ninety percent (90%) of the individual zone or hunt tag quota shall be awarded using a Preference Point drawing.

Ten percent (10%) of the individual zone or hunt tag quota shall be awarded using a Draw-by-Choice drawing.

For zones or hunts with quotas less than ten (10) tags, one (1) tag shall be awarded using a Draw-by-Choice drawing.

Apprentice Deer Hunt Tags

Fifty percent (50%) of the hunt tag quota shall be awarded through a Preference Point drawing.

Fifty percent (50%) of the hunt tag quota shall be awarded through a Draw-By-Choice drawing.

Elk, Pronghorn, and Bighorn Sheep Tags

For quotas of one (1), the tag shall be awarded using a Draw-By-Choice drawing.

For quotas of two (2), one (1) tag shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.

For quotas of three (3), two (2) tags shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.

For quotas of four (4) or more, seventy-five percent (75%) of the quota shall be awarded using a Preference Point drawing. The remaining portion of the quota shall be awarded using a Draw-By-Choice drawing.

DEADLINE TO APPLY FOR THE BIG GAME DRAWING

You may apply at any CDFW license sales office, license agent or online at CDFW's website at www.ca.wildlifelicense.com/InternetSales. Telephone license sales are also available at (800) 565-1458. All applications for the Big Game Drawing must be submitted and the sales transaction completed before midnight on June 2, 2024.

Valid during the Archery and General Seasons in zones B1, B2, B3, B4, B5 and B6

NONLEAD AMMO REQUIRED

TAG MUST BE IN IMMEDIATE POSSESSION WHILE HUNTING

INSTRUCTIONS FOR SUCCESSFUL HUNTERS:

- (1) Upon the harvesting of any deer, the hunter shall immediately fill out all information required on the Harvest report card and tag completely, legibly, and permanently and punch out both for the month and date of the kill.
- (2) The deer license tag shall then be immediately attached to the antlers of an antlered deer or to the rear of any other animal kept attached during the open season and for 15 days thereafter.
- (3) Hunter must have tag countersigned, signed by a Game Warden, or nearest wildlife officer (COPV employee) or a Game Warden, peace officer or others listed in Sec. 7016.6, Title 14, CCR.
- (4) Hunter must submit Harvest Report Card within 30 days of taking a deer.

REPORTING REQUIREMENTS/INSTRUCTIONS:

- (1) **SUCCESSFUL HUNTERS MUST SUBMIT A HARVEST REPORT WITHIN 30 DAYS OF TAKING THE ANIMAL.**
- (2) **UNSUCCESSFUL HUNTERS AND THOSE WHO DID NOT HUNT MUST ANSWER ALL APPLICABLE QUESTIONS IN THE REPORT CARD SECTION BELOW AND MUST SUBMIT A HARVEST REPORT BY JANUARY 31.**

HARVEST REPORTS CAN BE SUBMITTED ONLINE AT:
wildlife.ca.gov/Licensing

A confirmation number will be provided for online reporting. Hunter must record the number on the Harvest Report Card.

ALTERNATIVELY, HUNTERS MAY MAIL THEIR HARVEST REPORTS TO:
COPV Wildlife Branch
P.O. Box 944209
Sacramento, CA 94244-2090

NON-REPORTING PENALTY:
Persons who do not submit a harvest report for a deer tag are subject to arrest and non-reporting penalty fees of \$1,000.00 per tag and/or deer tag drawing eligibility in the future.

HARVEST TAG REPORTING

Mandatory Harvest Reporting for All Deer Tag Holders

Any person who is issued a deer tag must submit a harvest report card (CCR T14-708.5(b)):

Successful hunters must submit a completed report within 30 days of taking a deer;

Unsuccessful hunters; and

Hunters who did not hunt must submit a completed report by answering the applicable questions on the harvest report card and submit the report by January 31.

Two Ways to Submit Your Harvest Report

Online

Log in to your internet sales profile at www.ca.wildlifelicenses.com/InternetSales and follow the steps below:

Click the "Harvest Reporting" tab. If you are using a mobile device, the list of menu tabs is the square box (with three lines) in the upper left corner of your screen.

Click "Start Report" next to the tag you would like to report on. If you have two of the same zone/hunt tag, you are required to key in the Document Number (located below the barcode). This is to ensure you are reporting the correct tag.

Answer the effort questions in the reporting portion.

Click "Submit" at the end of the page – this is a two-step process.

Review your answers and click "Confirm" and then click "Ok" on the pop-up window to confirm that your report is complete and accurate.

The confirmation number will be generated for you to write on your tag. You will still need to retain the tag until March 1. Tags reported online must be surrendered to CDFW upon demand.

By Mail

Mail your deer tags to the address below:

CDFW Wildlife Branch
P.O. Box 944209
Sacramento, CA 94244-2090

Tag Validation and Countersigning Requirements

All tag holders upon the killing of any big game shall immediately fill out all portions of the tag including the harvest report card. The tag shall be completely, legibly, and permanently filled out as listed:

- Fill out the effort questions
- Cut out or punch out notches for the month and date of

NON-REPORTING DEER TAG PENALTY

Deer tag holders, whether successful, unsuccessful, or did not hunt, who fail to report by the January 31 deadline are subject to the non-reporting fee of \$21.60 prior to the issuance of a deer tag or deer tag drawing application in the following year.

- Online harvest reporting closes at midnight on January 31.
- The harvest report card returned by mail must be postmarked by the January 31 deadline.
- If the harvest report card is submitted by mail and not received by the CDFW, it is considered not reported and charged the non-reporting fee.
- If the harvest report card is received late (failed to report by the January 31 deadline), the non-reporting fee will be charged.

kill. They must be completely cut out or punched out and removed.

The antler portion of the license tag must be attached to the antlers of an antlered animal or to the ear of an antlerless animal immediately upon being killed.

Deer and elk tags shall be countersigned before transporting, except for the purpose of taking it to the nearest person authorized to countersign the license tag, on the route being followed from the point where taken.

Bear tags shall only be countersigned by a CDFW employee before transporting, except for the purpose of taking it to the nearest CDFW employee. If CDFW offices are closed, the bear tag shall be validated within one business day of transporting the bear from the point where taken.

HARVEST TAG REPORTING

SPECIES	REPORTING REQUIREMENT	TAG COUNTERSIGN REQUIREMENT	LENGTH OF TIME TO RETAIN TAG
DEER	Successful hunters must report within 30 days of harvest or by January 31, whichever comes first. Unsuccessful hunters and hunters who did not hunt must report by January 31. Hunters who do not report by the deadline will be charged a non-reporting fee of \$21.60 when purchasing their deer tag drawing application or deer tag in the following license year.	Persons Authorized to Validate (see below)	Keep tag attached for 15 days thereafter the season closes. Retain harvest report cards submitted online until March 1.
BEAR	Successful hunters must return report cards immediately. Hunters who were unsuccessful or did not hunt must return report cards by February 1.	CDFW Staff Only	Retain head and skin for 15 days thereafter season closes.
ELK	Successful and unsuccessful hunters must return report cards within one week of season closure.	Persons Authorized to Validate (see below)	Keep tag attached 15 days thereafter season closes.
PRONGHORN	Successful and unsuccessful hunters must return report cards within one week of season closure.	Not Required	Keep tag attached 15 days thereafter season closes.
BIGHORN SHEEP	Successful hunters must report by phone within 24 hours. Successful and unsuccessful report cards must be returned within 10 days of season closure.	CDFW Staff Only	N/A
WILD PIG	Hunters are required to report take through the Online License Services website within 60 days of the end of the license year. Reporting information will include the number of pigs harvested by month and county (T14 CCR 708.13).	Not Required	N/A

Persons Authorized to Validate or Countersign Deer and Elk Tags (T14 CCR 708.6(c))*

State	Federal	Miscellaneous
California Fish and Game Commissioners	Employees of the Bureau of Land Management	County firemen at and above the class of foreman for deer brought into their station
Employees of the Department of Fish and Wildlife, including Certified Hunter Education Instructors	Employees of the United States Forest Service	Judges or Justices of all state and United States courts
Employees of the California Department of Forestry and Fire Protection	Employees of the United States Fish & Wildlife Service	Notaries Public
Supervising Plant Quarantine Inspectors	All Uniformed Personnel of the National Park Service	Peace Officers (salaried & non-salaried)
Junior, Intermediate and Senior Plant Quarantine Inspectors	Commanding Officers of any United States military installation or their designated personnel for deer taken on their reservation	Officers authorized to administer oaths
	Postmasters & Post Office Station or Branch Manager for deer brought to their post office	Owners, corporate officers, managers or operators of lockers or cold storage plants for deer brought to their place of business

*No person may validate or countersign their own deer or elk tag.

2023 PRELIMINARY DEER HARVEST BY ANTLER CLASS

The following table shows the percentage by antler class of forked-horn or better bucks and total reported buck harvest for zones and public hunts as of 3/5/2024 (a). These values may differ from final deer harvest statistics, which will be available at wildlife.ca.gov/hunting/deer.

2024-2025 BIG GAME HUNTING DIGEST

2024 DEER HUNTS

PREMIUM DEER ZONES AND HUNTS

Applications for premium deer hunt tags awarded through the Big Game Drawing must be submitted to any CDFW license sales office, license agent, online or telephone sales before midnight on June 2, 2024. You must use your First-Deer Tag Drawing Application to apply for a premium deer hunt tag. Exception: junior hunters may use a Second-Deer Tag Drawing Application to apply for Apprentice Deer Hunts, but only one application may be used to apply for Apprentice Deer Hunts.

♦ – Tag quota filled in the 2023 Big Game Drawing conducted on June 12, 2023.

C Tag is valid in zones **C1**, **C2**, **C3** and **C4** General Seasons only.

C1 Large areas of private land where access is restricted. Some private land owned by timber companies is open to hunting. Most public land is administered by Klamath National Forest (530) 842-6131; fair access. CDFW Redding office (530) 225-2300.

C2 Good access, mostly public land administered by the Shasta Trinity National Forest (530) 226-2500 and private timber companies open to hunting. CDFW Redding office (530) 225-2300.

C3 Good access in middle and higher elevations on Lassen National Forest (530) 257-2151, and fair access on private timberlands open to hunting. Lower elevations are largely private property where access is restricted. CDFW Redding office (530) 225-2300.

C4 Good access in eastern portion on public lands administered primarily by the Lassen National Forest (530) 257-2151. Fair access on private timber-lands open to public. CDFW contact (530) 225-2300.

D9 Good access on public land (559) 243-4005.

D12 Extremely dry and hot desert deer zone. Wilderness areas severely restrict vehicle access; 4 X 4 recommended for entire zone.

D14 Fair access on public lands (909) 484-0167.

D17 Wilderness Area and Mojave National Preserve restrict vehicle access (909) 484-0167.

A31 Good access on public land except closures in Angeles National Forest (858) 467-4201. Closure information: (626) 574-5200.

A33 A hunting permit is required to access military base. Hunting access is available on weekends and federal holidays only. Hunt is subject to season or cancellation changes by Commanding Officer (831) 386-2954.

2024 DEER HUNTS

RESTRICTED DEER HUNTS

Restricted deer hunt tags are issued upon request to hunters applying on a First Deer Tag. Hunters may apply for a restricted deer hunt tag as their Second Deer Tag if they do not have a pending first deer tag drawing application or do not have a premium or restricted deer tag issued as their First Deer Tag. Hunters who have a premium or restricted First Deer Tag will have to wait until August 2, 2024 at 8 a.m. to apply for a restricted deer hunt tag as their Second Deer Tag. The restricted deer hunt tag will be available at CDFW license agents, online and telephone sales until tag quotas fill.

A Mostly private land. Public access on BLM and National Forest lands. For specific information regarding these areas contact the local BLM field office or National Forest at: Ukiah BLM (707) 468-4000, Hollister BLM (831) 630-5000, or Bakersfield BLM, (661) 391-6000; Mendocino NF in Willows (530) 934-3316, or Los Padres NF in Goleta (805) 968-6640. For additional information contact the nearest Department Regional office.

B Zone B Tag is valid in Zones B1 - B6

B1 Good public access to Mendocino National Forest (530) 934-3316, Shasta Trinity National Forest (530) 226-2500, Six Rivers National Forest (707) 442-1721, Arcata Field Office BLM lands (707) 825-2300. CDFW Eureka office (707) 445-6493.

B2 Good public access on Shasta Trinity National Forest (530) 934- 3316, Klamath National Forest (530) 842-6131, Six Rivers National Forest (707)442-1721, and Redding Field Office BLM lands (530) 224-2100. CDFW Redding office (530) 225-2300.

B3 Good public access to Mendocino National Forest lands in western part of hunt area (530) 934-3316 CDFW Rancho Cordova office (916) 358-2900.

B4 Largely private, limited public access on King Range Conservation area,administered by Arcata Field Office BLM (707) 825-2300. CDFW Eureka office (707) 445-6493.

B5 In the western portion of the zone, public access is good on Mendocino National Forest (530) 934-3316 and Shasta Trinity National Forest (530) 226-2500. CDFW Redding office (530) 225-2300.

B6 Public access good in Klamath National Forest (530) 842-6131. Foothills of Scott and Shasta valleys are largely private. CDFW contact (530) 459-3164.

D3-5 Tag is valid in Zones D3, D4 and D5. Good public access on National Forest lands, mostly private at lower elevations (916) 358-2900.

D7 Good public access on National Forest lands (559) 243-4005.

D8 Good public access on National Forest lands (559) 243-4005.

D10 No public land available; hunting normally restricted to landowners and permittees (559) 243-4005.

D11 Tag good for D11, D13 and D15, but not Camp Pendleton. Mostly good access on public land except closures in Angeles National Forest. Call (626) 574-5200; for closure information (858) 467-4201.

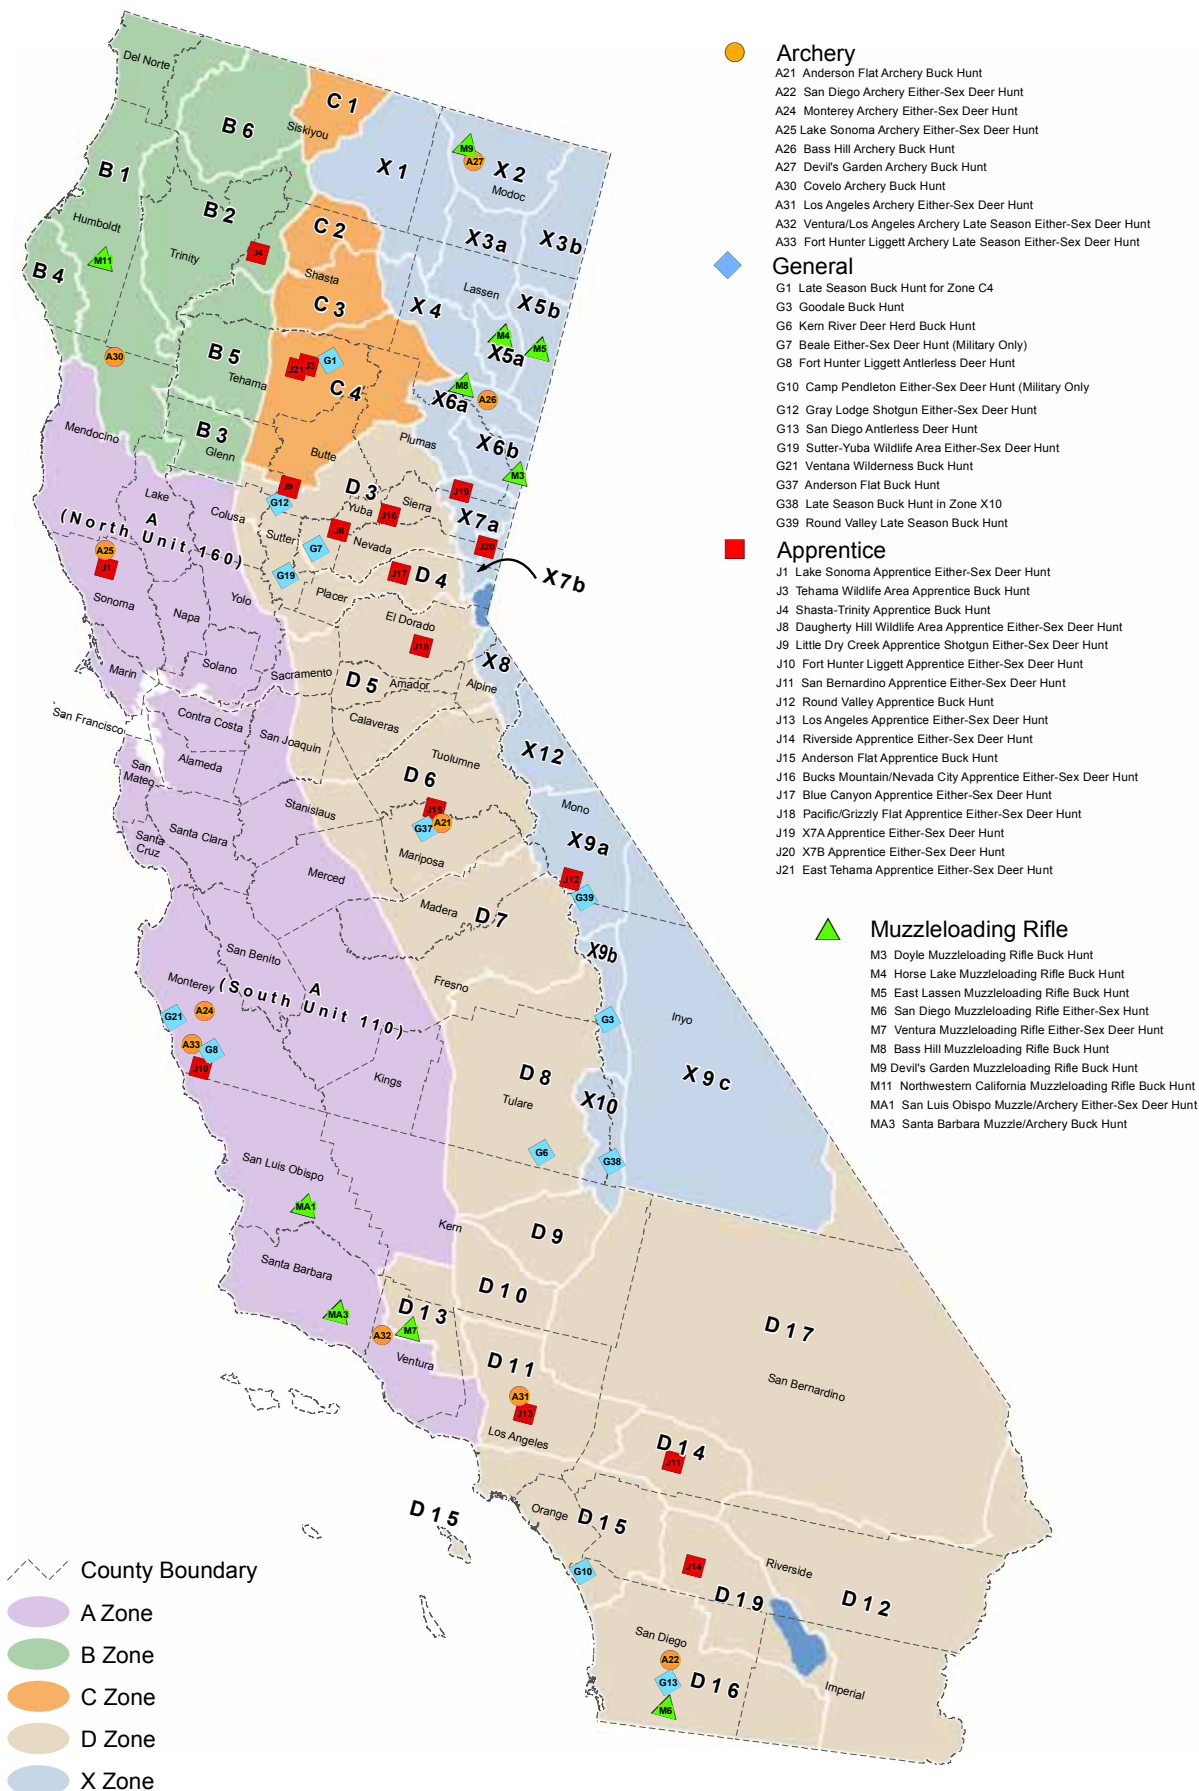

D13 Tag good for D11, D13 and D15, but not Camp Pendleton. Good access on public lands; portion of zone on private lands (858) 467-4201.

D15 Tag good for D11, D13 and D15, but not Camp Pendleton. Good access on public lands (858) 467-4201.

D16 Good access on public lands; higher elevations rugged (858) 467-4201.

D19 Good access on public lands; rugged terrain at higher elevations (909) 484-0167.

DEER ZONES AND ADDITIONAL HUNTS

Chronic Wasting Disease (CWD): What you need to know

WHAT IS CWD?

CWD is a **fatal neurological disease** of cervids (i.e., deer, elk, moose and reindeer).

HOW DOES IT SPREAD?

CWD spreads to cervids through contact with infected animals, tissues and environments.

HOW CAN WE HELP PREVENT THE SPREAD OF CWD?

Testing deer samples helps us know if CWD is present and allows us to better respond and manage the disease.

WHICH U.S. STATES HAVE DETECTED CWD?

■ States with detected cases of CWD

Hunters can bring their harvested deer or elk to a California Department of Fish and Wildlife (CDFW) sampling station or regional office to be sampled for CWD. Alternatively, the head can be brought to a meat processor or taxidermist participating in CDFW's CWD Sampling Program. CDFW will collect paired lymph nodes, dime to quarter-sized tissues, located behind the jaw along the spine.

OUT-OF-STATE HUNTING & HARVEST IMPORT

The California Code of Regulations, Title 14, Section 712 governs the importation of hunter-harvested deer and elk (cervid) into California. Only some parts of a harvested deer or elk can be imported, and no portions of the brain or spinal cord may be imported. Visit wildlife.ca.gov/CWD to learn more.

For more information on keeping California's deer and elk herds safe and free from CWD, please visit CDFW's CWD web page: wildlife.ca.gov/CWD.

**NO TIME
TO WASTE**
KEEP CWD AWAY

ELK, PRONGHORN & BIGHORN SHEEP

Elk, Pronghorn & Bighorn Sheep Hunting Information

For the 2024 Big Game Drawing, 22 is the maximum number of preference points for any species a hunter can have. To look up your total preference points log on to your customer profile at www.ca.wildlifelicenses.com/InternetSales and click on 'View My Draw Application/ Preference Points' at the top of the page.

By law, you may only submit one application for each species. Any person submitting multiple applications for the same species will be rejected from the drawing and may be prosecuted. All applicants must submit the \$8.13 nonrefundable processing fee for their application.

Definitions

- Antlerless Elk: Any elk, with the exception of spotted calves, with antlers less than four inches in length as measured from the top of the skull. CCR T14-364(l)(3).
- Bull Elk: Any elk having an antler or antlers at least four inches in length as measured from the top of the skull. CCR T14-364(l)(1).
- Either-Sex Elk: Bull elk, spike elk, or antlerless elk. CCR T14-364(l)(4).
- Spike Bull Elk: A bull elk having no more than one point on each antler. An antler point is a projection of the antler at least one inch long and longer than the width of its base. CCR T14-364(l)(2).
- Buck Pronghorn: Pronghorn with horns longer than the ears. CCR T14-363(l)(2).
- Doe Pronghorn: Pronghorn with horns shorter than the ears. CCR T14-363(l)(2).
- Either-Sex Pronghorn: Buck or doe pronghorn. CCR T14-363(l)(2).

Elk and Pronghorn Tag Application Restrictions

Applicants must be 12 years of age or older on or before July 1, 2024, and possess a valid 2024-25 California hunting license. Only one nonresident may be drawn for an elk or pronghorn tag annually.

Apprentice Elk & Pronghorn Hunts

Applicants must possess a valid 2024-25 California Junior Hunting License. If drawn, junior hunters must be accompanied when hunting, by a licensed adult chaperone at least 18 years of age.

Bighorn Sheep Tag Application Restrictions

Applicants must be at least 16 years of age or older on or before July 1, 2024, and possess a valid 2024-25 California hunting license and must not have drawn a California bighorn sheep tag in any prior year.

Not more than 10 percent of the bighorn sheep tags shall be awarded to non-residents each year.

Applicants cannot apply as a party for a bighorn sheep tag.

Mandatory Bighorn Sheep Hunt Orientation

Successfully drawn applicants and recipients of fundraising tags must complete the hunter orientation requirement.

Applying as a Party

Up to two residents may apply as a party. Nonresidents cannot apply as a party for elk or pronghorn tags. See [page 17](#) for instructions on applying as a party.

If your party is drawn for the last available tag, the party leader will be awarded the tag and the party member will become the first alternate for that hunt. Parties drawn as alternates will be awarded unclaimed tags on an individual basis, in the order drawn.

Bighorn sheep applicants may not apply as a party.

Check Your Big Game Drawing Receipt Carefully!

All applicants will receive a Drawing Receipt containing the applicants name, hunt choice, accumulated preference points and a Party Number. Applicants should verify the information on their Drawing Receipt before leaving the sales counter. If any of the information is incorrect, the sales clerk must cancel the Drawing Receipt document and 're-sell' the application with the correct information. License agents have only four hours to cancel a sale. If the transaction has exceeded the four-hour limit when the discrepancy is found, the applicant must contact CDFW's License and Revenue Branch prior to the June 2 deadline at LRB@wildlife.ca.gov to make any corrections.

Drawing Results

Applicants may look up their drawing results on or around June 17, 2024 by entering their customer information on CDFW's website at www.ca.wildlifelicenses.com/InternetSales and click on 'View My Draw Application/Preference Points' at the top of the page. On the same day, drawing results will be available by phone during regular business hours from CDFW license sales offices.

Successful elk, pronghorn, and bighorn sheep applicants and alternates should receive notices in the mail by July 2, 2024. Unsuccessful applicants will not be notified by mail.

Tag Fees & Payment Deadline

Fee payments from successful applicants for elk and pronghorn tags must be received by the designated CDFW license sales office or purchased online by 5:00 p.m. on July 15, 2024. Fee payments for bighorn sheep tags must be received by CDFW's License and Revenue Branch in Sacramento by 5:00 p.m. on July 15, 2024. Should there be unclaimed tags for any hunt after that date, the alternate list for that hunt shall be used. Tags will be awarded on an individual basis in the order drawn.

ELK, PRONGHORN & BIGHORN SHEEP

Elk Tag Fee:

Resident - \$585.00
 Nonresident - \$1,793.80
 Resident Junior - \$26.74

Pronghorn Tag Fee:

Resident - \$197.13
 Nonresident - \$602.85
 Resident Junior - \$26.74

Bighorn Sheep Tag Fee:

Resident - \$535.50
 Nonresident - \$1,986.75

Tag Return for Areas Impacted by Public Land Closures Caused by Wildfires

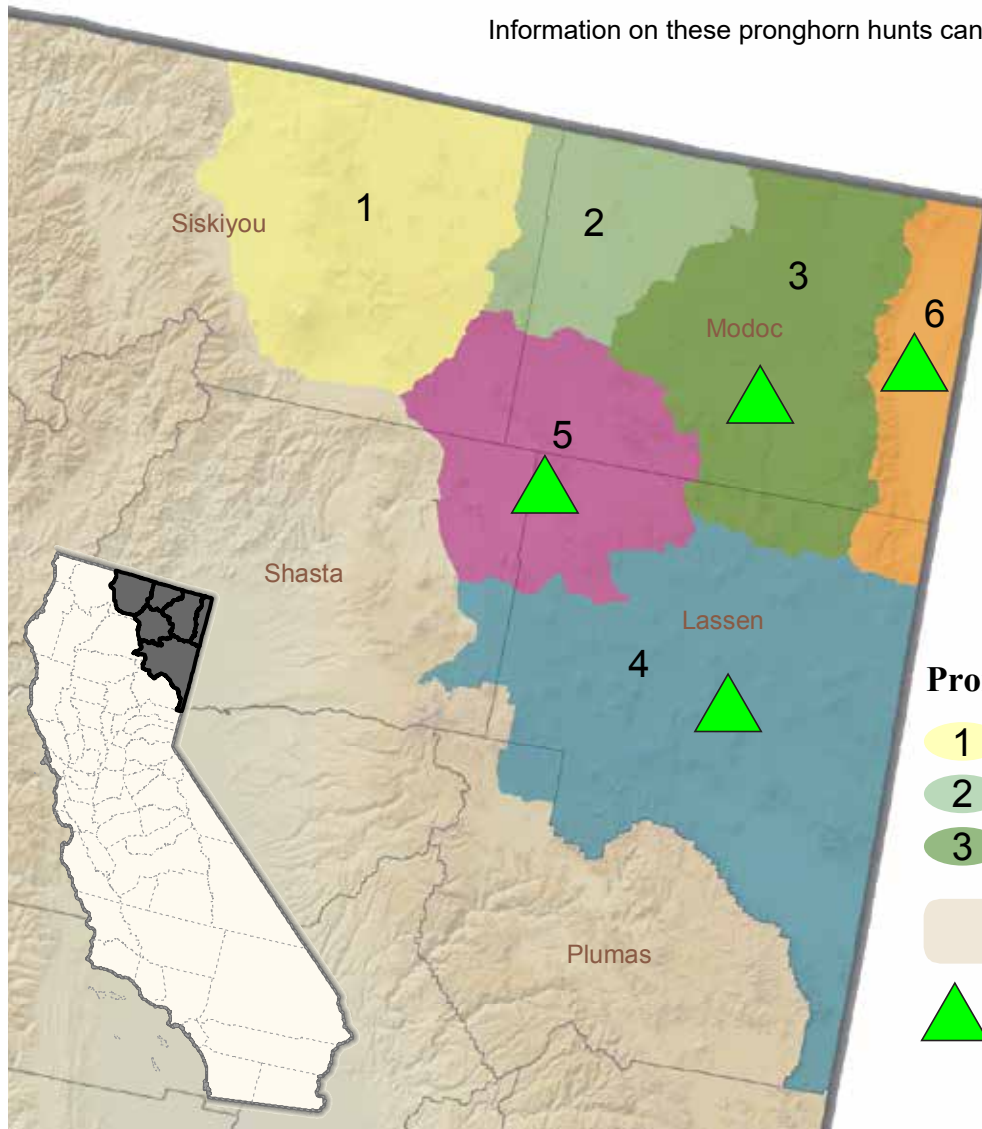

On April 18, 2022, regulations went into effect allowing eligible tag holders whose seasons were cut short or eliminated due to public land closures caused by wildfires to return unfilled deer, elk, pronghorn antelope, and bighorn sheep tags for reinstatement of their preference points and/or refunds.

A tag holder whose hunt zone was inaccessible for sixty-six

percent (66%) or more of the hunt season due to a public land closure caused by wildfire may return their unfilled tag with their written request for preference point reinstatement and/or tag refund. The tag holder must return their unfilled tag with their written request postmarked on or prior to February 28 of the current license year for which the tag is valid. Requests postmarked after this date shall not be considered. For more information, visit wildlife.ca.gov/Licensing/Hunting#580623472-post-season-tag-returns.

PRONGHORN

Information on these pronghorn hunts can be found at wildlife.ca.gov/hunting/pronghorn

Effective July 1, 2019, it shall be unlawful to use, or possess with any firearm capable of firing, any projectile(s) not certified as nonlead when taking any wildlife for any purpose in this state. For more information please refer to the California Code of Regulations Title 14 Section 250.1 and Fish and Game Code Section 3004.5.

497 Very limited opportunity on public land. Private land access is restricted and may require substantial access fees. State Park property not open to hunting. Public land method restricted to archery. Hunters seeking private land opportunities recommended to make previous arrangements before applying. Low probability of hunter success (209) 668-3170.

360, 363, 353, 433, 437, 357, 358, 359, 360, 362, and 363 Hunt CDFW land only. Hunters strongly encouraged to bring one non-hunting companion for assistance. Mandatory hunter orientation prior to hunt day. (707) 425-3828.

329 and 330 Elk almost entirely on private property. Private land access is restricted and may require substantial access fees. CDFW does NOT have list of landowners who would allow access. Hunters seeking private land opportunities recommended to make previous arrangements before applying. (916) 240-6350.

447 and 448 Tag holders must purchase hunting pass from the installation. All hunters must pass a National Crime and Information Center (NCIC) Interstate Identification Index background check prior to being allowed to purchase an installation hunting pass. Season dates and hunt areas subject to modification by Base Commander. Mandatory hunter orientation prior to each hunt (831) 386-2954.

417, 418, 419, and 420 Elk on public and private land. Private land access is restricted and may require substantial access fees. Access restrictions on CDFW properties. Low probability of hunter success. Off road travel is prohibited on Carrizo Plain National Monument. Mandatory hunter orientation prior to hunt day. Public land access limitations apply to CDFW wildlife areas. (805) 594-6152 and (559) 243-4005.

331 and 332 Good access to public land. (916) 240-6350.

* Pending adoption by the California Fish and Game Commission on April 17-18, 2024.

CAMP ROBERTS GARRISON TRAINING CENTER

Information from Camp Roberts Garrison Training Center (CRGTC) Regarding Hunting on the Garrison

Please note that this information has been provided to CDFW by the CRGTC and included in the Big Game Hunting Digest as a courtesy reference.

Hunting Permits

- CRGTC Annual HUNTING PERMIT (\$150) is required for any hunters or hunter guests hunting or accompanying hunters on Camp Roberts Garrison Training Center
- Elk hunting fees on Camp Roberts Garrison Training Center are \$1000 for antlered Tule Elk and \$700 for antlerless Tule Elk.
- Purchasing passes and permits is relatively easy and takes only a few minutes on the phone or online with the CRGTC Family Morale, Welfare, and Recreation Office. Elk hunters work with MWR Managers to identify and select specific dates for their elk hunts. This is done at the time of CRGTC Elk pass and permit purchases. MWR Email: camprob-ertsmwr@hotmail.com Phone Number: (805) 238-8917

Camping, Lodging, and Services

- CRGTC has camping and lodging available for hunters. Reservations and Coordination can be made by contacting MWR Email: camprob-ertsmwr@hotmail.com Phone Number: (805) 238-8917 for additional information about lodging on Garrison.
- CRGTC has a small shoppette/store open during most normal business hours. Food trucks are generally available for food and drinks. San Miguel is nearby with basic necessities, gas, diesel, restaurants, and general items. Contact MWR Email: camprob-ertsmwr@hotmail.com Phone Number: (805) 238-8917 for additional information about basic necessity availability.

Pre-Elk Hunt Tours

- Pre-Elk hunt tours may be arranged through the Camp Roberts MWR office July through September for Elk tag holders and their guests. Tours must be coordinated, scheduled, and purchased through the CRGTC MWR office MWR Email: camprob-ertsmwr@hotmail.com Phone Number: (805) 238-8917. Pre-Elk hunt tours are \$75 per person and all persons must pass a background check before admittance to the Federal property. Background checks are conducted at the SECFOR office (main gate) and take about 15 minutes per person.
- Hunting on CRGTC may be cancelled at any time and for any reason. However, CRGTC will make every effort to ensure 100% of our Elk hunting guests are 100% successful in filling their elk tags.

Requirements Prior to Hunting

Background Check

- All CRGTC hunters must pass a National Crime and Information Center background check before entering the Camp

Roberts Federal Garrison. This background check is conducted at the main gate Security Forces Office and takes approximately fifteen minutes per person.

Hunt Escorts

- Elk hunters are escorted by Camp Roberts staff or volunteers who are trained and authorized to accompany hunters to any area cleared and authorized specifically for elk hunting.
- CRGTC Elk hunting escorts ultimately decide where the hunters will focus their hunting activities. The only areas strictly off limits are the dud-producing impact areas, restricted military sites, and known endangered species habitat. All other areas are subject to elk hunting. This is up to the Garrison Commander for the needs of the mission and the garrison. This provides Elk hunters unique opportunities to hunt in areas closed to other hunting and activities.

Mandatory Hunter Orientation

- All tag holders and guests are required to attend a mandatory hunter orientation given the day before the hunt. Hunter Orientation covers (but is not limited to) the following data points:
- Guides and Guide services are not allowed on the Garrison. Any and all outside business for any type of compensation monetary or otherwise, must be coordinated and approved via contract between the U.S. Government and the business. Any guide service must have a standing business license with Camp Roberts GTC. To date, there are no licensed and contracted guide services associated with Camp Roberts.
- CRGTC WILL NOT close or restrict training or normal operations for any hunters. However, CRGTCs Elk Hunting Escorts may make coordination to get elk hunters into areas where normal operations and training are taking place.
- Only one Elk hunting party in the field at a time. The date you select with MWR is your date. You do not compete for elk with other hunters.

Elk Hunting

Hunt Escorts

- Elk hunters are escorted by Camp Roberts staff or volunteers who are trained and authorized to accompany hunters to any area cleared and authorized specifically for elk hunting.
- The CRGTC escorts are the authority and make the decisions on when and where to hunt.
- All hunters and guests must be always escorted.

Shooting Proficiency

- Hunters may be required to demonstrate shooting proficiency on a 200-meter range before hunting.
- If hunters shoot at an elk and miss or shoot at an elk and wound the animal with poor shot placement, the hunt may be discontinued until the hunter can demonstrate adequate marksmanship proficiency on a 200-meter range.
- Acceptable marksmanship proficiency is considered bullet placement (impact) within 6" of point of aim at 200 meters using the same or similar rest or shooting position the hunter intends to employ when hunting/shooting. The CRGTC Elk

CAMP ROBERTS GARRISON TRAINING CENTER

hunting escort is the approving authority in determining if the hunter is proficient and qualified to hunt live/big game on CRGTC.

- If an elk hunter injures an elk via poorly placed shot, the hunter, his/her guests, and the CRGTC escort will make every effort to track and re-engage the animal and dispatch the same animal via clean/ethical kill. No other elk will be pursued or engaged without the approval, concurrence, and authorization of the CRGTC Elk hunt escort. If the escort decides the wounded animal is lost and/or unrecoverable (for any reason) the escort is the decision maker in authorizing continuing the hunt for a different animal. The escort will inform the CRGTC environmental office, the CRGTC Range Control Office, and the California Fish and Wildlife Officer on Duty of the wounded animal and intent to cancel search and pursue a different animal.

Harvested Elk

- CRGTC will make every effort to get a trailer to your harvested elk and will solicit additional manpower (help) with loading your harvested elk.

- CRGTC will offer cold storage for your harvested elk.
- CRGTC will offer carcass removal and disposal.
- CRGTC will offer hoist and gambrel services, water, and cleaning stations for your elk.

Tag Validation and Data Collection

- All successful tag holders will be required to have elk brought in to the CRGTC Wildlife Check Station / Cleaning station for biological data collection and tag validation prior to leaving CRGTC.
- All unsuccessful tag holders may coordinate with CRGTC MWR office for additional dates and hunts at no extra cost. However, if the CRGTC Elk hunt escort determines that the hunter had ample opportunity to harvest the type elk (antlered or non-antlered) indicated on the hunters' tag, the CRGTC MWR office may decline requests for additional hunt dates or may schedule on a space-available basis based on the needs and requirements of the garrison.

*** Pending adoption by the California Fish and Game Commission on April 17-18, 2024**

WILD PIG HUNTING

Wild Pig Validation

Resident and nonresident hunters, 12 years of age and older, with a valid annual or two-day California hunting license may purchase a wild pig hunting validation. There is no limit on the number of wild pigs one person may harvest with a validation; fees are nonrefundable and cannot be transferred from one person to another. Wild pigs no longer need to be tagged; however, the hunter is required to have their license and validation on their person while with a harvested pig.

New Reporting Requirements

Hunters are now required to report pig harvest at the end of the season in the Automated License and Data System. Reporting requirements include the number of pigs harvested by month and by county (T14 CCR 708.13).

Wild Pig Hunting Season

Wild pig validations may be used throughout the hunting year, commencing on July 1 and ending on June 30 the following year. There is no daily bag or possession limit for wild pig (T14 CCR 378). For more information on pig hunting and regulations, please go to CDFW's website at wildlife.ca.gov/Hunting/Wild-Pig.

Legal Methods of Take

Generally, wild pigs may only be taken using archery equipment, rifles, .40 caliber or greater muzzleloaders, shotguns and pistols, or revolvers. Knives and spears are not legal methods of take for wild pigs in California. Please see the California Hunting Regulations for Mammals and Furbearers (CCR T14-377) for detailed information.

Wild Pig Hunting Opportunities

Cañada de los Osos Ecological Reserve

CDFW provides limited-permit apprentice pig hunting opportunities at Cañada de los Osos Ecological Reserve near Gilroy. The hunts are conducted in coordination with volunteers from the California Deer Association (CDA) who operate the program.

Hunts are scheduled in the spring and fall, and applicants may only apply online by visiting wildlife.ca.gov/Regions/3/Hunts/CDLO. Due to the high demand, hunters who are unable to attend the hunt for which they are drawn must notify our office within 5 days of being notified that they were successfully drawn. Please only apply for hunt dates you can attend.

Successful applicants will be assigned a volunteer from the CDA who will act as their guide for the duration of the hunt. Cañada de los Osos falls within the Ridley-Tree Condor Preservation Area and non-lead ammunition is required for all big game hunts.

Additional information about these hunts and others may be obtained by visiting CDFW's special pig hunts webpage wildlife.ca.gov/Hunting/Wild-Pig#194443-hunts. The CDFW continues to work with resource conservation partners to provide these special pig hunts. Additional special opportunities will be announced on this webpage as they become available.

Top 15 Counties for Wild Pig Hunting

COUNTY	3-year average reported take
Monterey	920
San Luis Obispo	554
Kern	404
San Benito	185
Mendocino	180
Tehama	169
Santa Clara	164
Fresno	107
Sonoma	92
Merced	89
Colusa	89
Santa Barbara	78
Humboldt	72
Tulare	64
Glenn	63

BEAR HUNTING

Bear Tags

To hunt bear in California, all residents and nonresidents must be age 12 or older and have both a valid hunting license and a bear tag. Bear tags can be purchased from any CDFW license sales office, license agent, online, or by telephone sales. Hunters may purchase only one bear tag per hunting license year.

Bag and Possession Limits

No person may possess more than one bear per hunting license year.

Bear Hunting Seasons

Archery bear season in all bear zones opens August 19, 2024, and runs through September 10, 2024.

The general season for black bears opens with the general deer hunting seasons in deer zones A, B, C, D, X8, X9A, X9B, X10 and X12 and extends through December 31, 2024. In the remaining deer X zones, the season opens October 14, 2024, and extends through December 31, 2024. CDFW shall close the season earlier if 1,700 bears have been reported taken. For daily updates on reported bear harvest, visit our website: wildlife.ca.gov/Hunting/Bear or call toll-free (888) 277-6398.

Summary of Bear Regulations

It is unlawful to take a cub or a sow accompanied by one or more cubs.

It is unlawful to feed or bait bears for the purpose of hunting them. It is unlawful to hunt bear over bait, or within a 400-yard radius of a garbage dump or bait.

Only CDFW employees may validate bear tags. Bear tags must be validated before the bear can be transported except for the purpose of taking it directly to the nearest person authorized to validate the tag. If Department offices are closed, the bear tag shall be validated within one (1) business day of transporting the bear from the point where taken.

Every licensed bear hunter who takes a bear must immediately return the validated report card portion of the bear tag. The tag may be presented to a CDFW office/officer, returned via mail, or reported online at wildlife.ca.gov/tagreporting.

Any bear hunter who utilizes the services of a guide must verify that the guide has a valid guide's license and must write the guide's license number on the bear tag in the space provided.

Every licensed bear hunter who is unsuccessful in taking bear must return the report card portion of the bear tag by February 1 of the current license year. The tag may be presented to a CDFW office/officer, returned via mail, or reported online at wildlife.ca.gov/tagreporting.

It is illegal to sell parts of any bear in California, including portions of legally-taken bears imported from other states. However, you have the right to retain any and all parts of the bear you take, except the skull, which becomes the property of CDFW.

Mandatory Presentation of Bear Skull

Any person who takes a bear shall present the skull (even if damaged) to a CDFW office/officer within 10 days of taking the bear. The skull shall become the property of CDFW. The portion of the skull not needed for scientific purposes will be returned (CCR T14-367.5). Please see appointment section and office phone numbers on the next page.

IMPORTANT! Place a stick or other object in the bear's jaws so that the mouth remains open. Do not present frozen skulls to have the premolar tooth removed. Premolars break easily when the skull is frozen.

Whether or not you are successful, all bear tags must be returned to the CDFW no later than February 1, 2024. If you fail to return your 2023 bear tag, even if you did not kill a bear, you will be in violation of (CCR T14-708.12(d)).

Please call ahead before bringing your bear skull to a CDFW office.

Bear Tag Validation and Tooth Extraction

If you kill a bear, you must have the tag countersigned (validated) by a CDFW employee. Bear tags must be validated prior to transporting the bear, except for the purpose of taking the bear to the nearest person authorized to validate the tag en route to your home from the point where the bear was taken. All CDFW offices will validate bear tags. The report card portion must be returned immediately after tag validation.

CDFW is requiring a premolar tooth be extracted from EVERY bear taken during the hunting season. This will provide wildlife biologists with sufficient information to refine bear management. The premolar tooth will be processed by cutting it in cross section and examining it under a microscope. The bear's age can then be determined by counting annual growth rings, similar to tree rings. Information on age of harvested bears through tooth aging will be posted online at wildlife.ca.gov/Hunting/Bear.

BEAR HUNTING

Bear Tag Validation and Tooth Extraction Appointments

If you cannot locate a CDFW employee, please call one of the offices listed below and they will provide assistance.

All CDFW offices will validate bear tags.

Please call the following locations for an appointment to have your bear tag validated and/or a tooth pulled. Please leave your bear skull in your vehicle until you check in for your appointment.

Definitions

Bear cub

A bear less than one year old or weighing less than 50 lbs.
CCR T14-365(c).

Bait Related to Bears

Any material capable of attracting a bear. CCR T14-365(e).

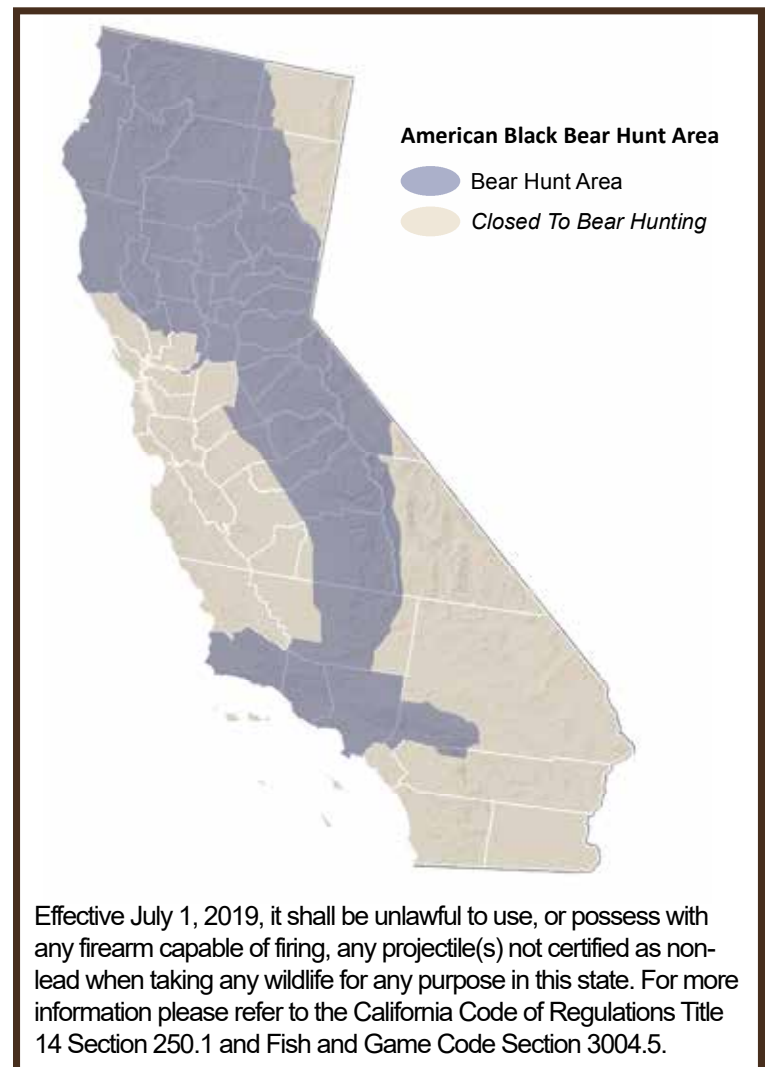

Baited Area

Any area where shelled, shucked or unshucked corn, wheat or other grains, salt, or other feed whatsoever capable of luring, attracting, or enticing such birds or mammals is directly or indirectly placed, exposed, deposited, distributed, or scattered, and such area shall remain a baited area for ten days following complete removal of all such corn, wheat or other grains, salt, or other feed. CCR T14-257.5.

Note: Scents sprayed into the air and allowed to disperse over a wide area in the wind generally do not fall within the definition of bait. Scent products that have to be applied directly to a surface such as a rock, tree or bush generally cause the game to come to that specific place, and if they feed on it, it is bait.

Use of Dogs for Pursuit/Take

Effective January 1, 2013, the use of dogs to pursue/take bears is unlawful for sport-hunting purposes.

FREQUENTLY ASKED QUESTIONS

License Requirements

Q. Why do I need to show identification when purchasing a license?

A. When you purchase a license you are required to provide identification or a previously issued ALDS license. This ensures CDFW will have an accurate record of your license history and help CDFW serve you better in:

- Tracking customer preference points for CDFW's annual Big Game Drawing.
- Purchasing duplicate licenses.
- Wildlife management efforts, such as harvest reporting.

CDFW does not share or sell customers' personal information.

Q. I tried to purchase my hunting license online, but the online sales system says 'Evidence of Hunter Education Required'. I have purchased a hunting license through the ALDS before, so why is it not on file?

A. You have created a second customer profile (another GO ID) that is not connected to your license history and hunter education record. Log out of the online license sales system and find a previously issued ALDS hunting license or drawing receipt and log in again. Enter the last name, GO ID, and date of birth as it is printed on your license document. Once you have logged into the account that has your hunter education, you will be able to purchase a hunting license and enter the drawing. If you are unable to resolve this issue yourself, contact the Department's Internet Sales Help Desk at (916) 928-6882 during regular business hours (Monday-Friday, between 8:00 a.m. to 5:00 p.m.) for assistance.

Important: To be included in the Big Game Drawing, submit your application by midnight on June 2. If it is June 2 and you are unable to resolve this issue, go to a license sales agent. Provide your proof of hunter education and customer information for the license sales agent and apply for the Big Game Drawing there.

Q. What can I hunt for with a 2-Day Nonresident California Hunting License?

A. The 2-Day Nonresident California Hunting License

is only valid for taking resident and migratory game birds, resident small game mammals, wild pigs, fur-bearing mammals and non-game mammals. A 2-Day Nonresident California Hunting License is not valid to hunt bighorn sheep, bear, deer, elk, or pronghorn.

Q. Do I still need to have my license in possession when hunting or fishing?

A. Under California law you are required to carry your license, validation, report card, or tag with you when you are hunting or fishing.

Q. What will happen if I do not report my deer tag(s) or report my tag(s) late?

All deer tag holders who do not report their deer tag(s) by the regulatory deadline of January 31 or report them late will be assessed a non-reporting penalty of \$21.60 when purchasing their deer tag drawing application or deer tag the following license year.

NOTE: Mandatory reporting applies to all deer tags issued. Hunters who are issued two deer tags and report one but not the other will still be assessed the non-reporting penalty.

Big Game Drawing

Q. Why did I get drawn for a premium deer tag when I only wanted to apply for a preference point?

A. To apply for a deer preference point, you must tell the license sales clerk that you want to apply for the code PD (Point Deer). You do not need to indicate a hunt code when applying for a preference point only. Preference points are earned for the species and not a particular zone or hunt.

Q. I want to apply for a deer preference point in the Big Game Drawing, but I was issued my first deer tag at the license agent. Will I still earn a preference point?

A. No. If you were issued a first deer tag at the license agent then you were not entered into the Big Game Drawing. You will need to go back to the license agent and tell the sales clerk to cancel the transaction and re-sell you a First Deer Tag Drawing Application with the code PD (Point Deer). The license agent only has four hours to cancel any

FREQUENTLY ASKED QUESTIONS

sales transaction. If it has been more than four hours, contact CDFW's License and Revenue Branch prior to the June 2 deadline at LRB@wildlife.ca.gov.

Q. How can I apply for a deer preference point and get an unrestricted or restricted deer hunt tag?

A. Submit a First Deer Tag Drawing Application with a first choice of PD (Point Deer); and a second choice of an unrestricted or restricted deer tag. If your second choice deer tag is available when the Big Game Drawing is conducted, it will be processed in the second round of the drawing. Please see 'How the Drawing Works' on page 14 for more information on the second choice tags.

Q. How can we apply as a party for drawing tags?

A. There are two ways to apply as a party. Members of a party can apply in the same sales transaction or in separate transactions at any CDFW license sales office, license agent, online or by telephone sales. See [page 17](#) for details on the party application process.

Q. I am the party leader, where can I find my Party Number to give to members of my hunting party so they can join me?

A. The Party Number is located above your hunt choice(s) on your Drawing Receipt for each species for which you applied. Make sure you give the correct Party Number to the correct party members of each species.

Q. I don't have my party leader's Party Number. Will the license agent be able to join us together?

A. No. You must have the Party Number to join another hunter's party. This is done to ensure that only hunters the party leader allows may join his/her party. CDFW license sales offices and license agents cannot provide you with another hunter's Party Number, only the party leader or members of the party can provide you with their Party Number.

Q. Can a junior hunter apply for a premium deer zone and an Apprentice Hunt on the same application?

A. Yes. Junior hunters who wish to apply for an Apprentice Hunt and a premium deer hunt on the same application must use a First-Deer Tag Drawing Appli-

cation. Either the Apprentice Hunt or Premium deer hunt will be your first choice (which ever you want the most) and the other as your second choice. You will be issued a preference point if you are unsuccessful in receiving your first choice and your second choice tag will be processed in the second round of the drawing (if the hunt you chose has not filled by the second round of the drawing). If the junior hunter applies for an Apprentice Hunt on the First-Deer Tag Drawing Application, they cannot submit a Second-Deer Tag Drawing Application.

Q. My daughter is a junior hunter. We want to apply together for an X zone tag. Can she apply with me for an X zone tag and still apply for an Apprentice Hunt?

A. Yes. You both can apply as a party for the X zone tag using your First-Deer Tag Drawing Application. Your daughter can apply for the Apprentice Hunts using her Second-Deer Tag Drawing Application.

Q. Will a junior hunter earn two deer preference points if he/she is unsuccessful for both deer tag applications for a premium deer hunt and an Apprentice Hunt tag?

A. No. Hunters may only earn one preference point per species (CCR T14-708.14(c)). Junior hunters submitting two applications in the drawing will earn one preference point if they are unsuccessful in their first choice tag on both applications. If they are successful in their first choice tag on either application their preference points will be reset to zero.

Q. If a junior hunter applies for a premium deer hunt on a First-Deer Tag Drawing Application and an Apprentice Hunt on a Second-Deer Tag Drawing Application, how are the tag choices processed in the drawing? Which application has a higher priority?

A. Neither deer tag application has a priority. The computer assigns each deer tag application a unique random number. The preference point value for each application is calculated the same way, the success or non-success of one application does not affect the other application.

Q. How will I know that my tag choices for the drawing were entered correctly?

A. Verify that your tag choices are printed cor-

FREQUENTLY ASKED QUESTIONS

rectly on your Drawing Receipt. You may also verify your tag choices and view all your license items by accessing your customer profile online at www.ca.wildlifelicense.com/InternetSales. Once you are signed in, you will select the 'View My Drawing Applications/Preference Points' link at the top of the page.

Q. When do I lose preference points?

A. You lose all accumulated preference points for a species, as follows:

- Deer - You lose all accumulated preference points when you are drawn for a premium tag as your first choice.
- Elk, pronghorn and bighorn sheep - You lose all accumulated preference points for a species if you are drawn for and pay for the tag.
- You also lose all accumulated preference points for any species if you do not participate in the drawing for that species for five (5) consecutive years.

Q. I did not apply in the Big Game Drawing and it is now past the deadline; will I still be able to earn a preference point for this year?

A. No. You will not earn a preference point for this year and you will not lose your previously accrued preference points. However, a hunter's points are reduced to zero when they have not applied for five (5) consecutive years. A missed application deadline is considered as not applying.

If it is after midnight on June 2, the drawing applications for deer, elk, pronghorn and bighorn sheep will not be available in the "Drawings" list to purchase and apply for the drawing.

Q. I cannot hunt this year. How can I earn a preference point for deer, elk, pronghorn, and bighorn sheep?

A. At a license agent, CDFW license sales office or by telephone sales at (800) 565-1458, you will need to purchase a California hunting license and inform the sales clerk you are applying in the Big Game Drawing. You will need to indicate to the sales clerk, which drawing application(s) you want to apply for; such as: deer, elk, pronghorn or bighorn sheep. To

earn a preference point for deer the code is PD, elk is 499, pronghorn is 799 and bighorn sheep is 599.

If applying online, select the "2024 Hunting" tab and "add to the cart" a California hunting license and in the "Drawing" menu, "add to the cart" the drawing applications you want to apply for and enter the corresponding preference point code as indicated above.

To earn the preference point(s), the transaction must be completed before midnight on June 2, 2024.

Q. What if my premium deer, elk, pronghorn, or bighorn sheep hunt was impacted by public land closures due to wildfire?

A. Eligible tag holders may return their unfilled premium deer, elk, pronghorn, and/or bighorn sheep tags and appeal for their preference points reinstatement and may also earn a preference point for the species for the affected season. In addition, eligible elk, pronghorn, and bighorn sheep tag holders may request a refund of their tag fees. For more information, visit wildlife.ca.gov/Licensing/Hunting#9941888-exchanges-returns-preference-points.

Q. How can I check my preference point totals in ALDS?

A. Your preference point totals are printed on your Drawing Receipt(s). The receipt will include the applicant's name, hunt choice(s), and accumulated preference points. You can also check your preference points by logging on to your customer profile at www.ca.wildlifelicense.com/InternetSales and click on the link "View My Draw Application/Preference Points" at the top of the page.

Q. How will CDFW track my preference points?

A. CDFW tracks preference points for current and future drawings using your Get Outdoor (GO) ID. To accurately track your preference points, you must use the same GO ID number to apply in the drawing each year. If you have changes or corrections to your mailing address, you may log into your customer profile and update at www.ca.wildlifelicense.com/InternetSales. If you have changes or corrections to your name, identification number, such as a driver's license number or date of birth, you must notify

Obtaining Hunting Maps

Q. Where can I obtain hunting maps for deer zones?

A. General maps detailing individual zone or deer hunt boundaries can be found at CDFW's website: wildlife.ca.gov/Hunting/Deer.

Additional maps are also available from:

U.S. Forest Service (USFS) online at www.fs.fed.us/visit/maps/;

Bureau of Land Management (BLM) at 2800 Cottage Way, Suite W-1834, Sacramento, CA 95825, by phone at (916) 978-4400 or online at www.blm.gov/california;

U.S. Geological Survey (USGS) from sporting goods, backpacking or engineering stores or by contacting the Rocky Mountain Mapping Center, Branch of Information Services, Box 25286, Denver, CO 80225, by phone at 888-ASK-USGS or online at www.usgs.gov/products/maps/overview.

Bear Hunting

Q. What should I do if I harvest a bear with a GPS collar?

A. If you harvest a bear with a GPS collar, please return the collar to your local CDFW Regional Office. The collar contains important information regarding CDFW's bear aversive condition study in the Lake Tahoe Basin.

For more Frequently Asked Questions on hunting you may visit our web site at wildlife.ca.gov/Licensing/Hunting/Big-Game.

DECLARATION OF IMPORTATION

To declare importation of dead fish and wildlife, please print and complete the form on the following page, or complete the [online form](#).

State of California – Department of Fish and Wildlife

DECLARATION OF IMPORTATION OF DEAD FISH AND WILDLIFE

DFW 901 (NEW 01/01/22)

You can submit online at wildlife.ca.gov/qr/declaration-form

Form Instructions

BEFORE COMPLETING: Pursuant to Title 14, Section 712.5, California Code of Regulations (CCR) and Fish and Game Code Section 2353, notwithstanding any other provision of law, it is unlawful to import (or bring into the state of California) any dead birds, mammals, fish, reptiles, or amphibia legally taken and legally possessed from outside of California, unless a declaration is submitted to the California Department of Fish and Wildlife (Department) at or immediately prior to the time of entry. The importation of live animals is regulated under separate laws and regulations, therefore this form is not required for importation of live wildlife. Situations by which this form would be used include dead wildlife imported into California from out of state (including out of the country in accordance with that country's export requirements):

- Legally hunted or fished for personal consumption;
- Legally taken for trophy or taxidermy;
- Legally taken specimens for scientific or other research, notwithstanding other laws for their possession and/ or importation; and
- Other legal uses.

Section 1 – Original Permitholder Information. For importation of dead wildlife and/or parts thereof, indicate the Importer's first name, last name, Government-Issued ID or Driver's License #, birthdate, physical (mailing) address, and optional email address.

Section 2 – Dead Wildlife and/or Parts Thereof Information. Provide a description of the wildlife imported, including species, quantity, sex and antler points when applicable, etc. State or Federal permits under which authority the take and/or possession (collection) of the salvaged animals, and/or parts thereof occurred. For categories that don't apply, indicate N/A.

Section 3 – CERTIFICATION The importer signs here certifying under penalty of perjury that the information provided is true and correct and that the fish or wildlife described are legally possessed/imported by the signer.

CLEAR

Pursuant to Fish and Game Code section 2353 and California Code of Regulations, title 14, section 712.5, this declaration form shall be completed by the person importing dead birds, mammals, fish, reptiles, or amphibians, prior to or upon entry (within 24 hours) into the State of California. This declaration form shall be submitted online at wildlife.ca.gov/qr/declaration-form or postmarked to the Department of Fish and Wildlife, Law Enforcement Division, PO Box 944209, Sacramento CA 94244-2090. A copy of this completed declaration form, or a confirmation number if completed online, shall be retained with the dead fish or wildlife.

SECTION 1. IMPORTER INFORMATION

FIRST NAME	M.I.	LAST NAME	
GOVERNMENT ISSUED ID or DRIVER'S LICENSE NUMBER	DATE OF BIRTH	PREFERRED TELEPHONE	
PHYSICAL ADDRESS			
CITY	STATE	ZIP	EMAIL ADDRESS (Voluntary)
IMPORTATION VEHICLE LICENSE #		LOCATION AND DATE OF IMPORTATION	

SECTION 2. DEAD WILDLIFE, AND/ OR PARTS THEREOF INFORMATION

Description of Fish or Wildlife (species, quantity, sex, antler points when applicable, etc.)	Carcass or Part type ^A	Out of State Fishing or Hunting License #, or permit #	Out of State Hunting Tag #	Harvest Location (County, State, or country)

SECTION 3. CERTIFICATION

I certify under penalty of perjury that the information above is true and correct and that the fish or wildlife described above are legally possessed/imported by the undersigned.

Signature _____

Date _____

Information regarding Chronic Wasting Disease: The California Code of Regulations, title 14, section 712 governs the importation of hunter-harvested deer and elk (cervid) into California. Only some parts of a harvested deer or elk can be imported, and no portions of the brain or spinal cord may be imported. For more information go to:

<https://wildlife.ca.gov/Conservation/Laboratories/Wildlife-Health/Monitoring/CWD>

^A Carcass or Part Type codes: **WC** = whole fresh/frozen carcass; **MC** = meat cuts (processed); **MQ** = meat cuts (quarter); **TS** = tissue samples; **TA** = taxidermy/ trophy mount; **H** = hide; **S** = scientific specimens; **O** = other

PREVENT CHRONIC WASTING DISEASE

Chronic Wasting Disease

Meat from CWD infected animals should not be eaten. The disease's range continues to slowly expand.

Deer and Hunter Impacts

A high prevalence of chronic wasting disease (CWD) can reduce populations and potentially decrease long-term herd viability. As CWD prevalence increases in an area, the number of hunters seeking tags often decreases. CWD can impact herds directly by decreasing populations and indirectly through decreased tag sales resulting in less funding for wildlife management.

Handle Game with Caution

Whenever hunting, basic safety and hygiene precautions should be taken to protect yourself from injury or exposure to disease when handling wildlife. Minimize the chance of exposure to or spread of CWD:

- Wear rubber gloves when field dressing carcasses;
- Bone out meat from the animal;
- Minimize the handling of brain and spinal cord, eyes, spleen, and lymph nodes and avoid consuming these tissues;
- Wash hands and instruments thoroughly after field dressing is completed.

Hunting Out of State

It is the responsibility of out-of-state hunters to be aware of all laws and regulations pertaining to the state in which they are going to hunt. Proof of Hunter Education is required. Take note that the California equivalency certificate will not be accepted as evidence of hunter education.

Follow Other States' Regulations for CWD

Hunter help is needed to stop CWD from reaching California. Follow laws and regulations for the importation, transportation and movement of harvests within and between any states you are hunting in or traveling through. Movement regulations

are one of the most important tools to prevent the accidental importation of CWD. It is the Department's recommendation that any deer or elk harvested in a known CWD area be tested for CWD and receive a negative or not detected result prior to consuming.

No Skull, No Backbone

You will be checked at the California border when returning and only the following body parts are allowed into California:

- boned-out meat and commercially processed cuts of meat,
- portions of meat with no part of the spinal column or head attached,
- hides with no heads attached,
- clean skull plates (no meat or tissue attached) with antlers attached,
- antlers with no meat or tissue attached,
- finished taxidermy heads,
- upper canine teeth (buglers, whistlers, ivories).

California Code of Regulations, Title 14, §712 can be summarized in one phrase: "NO SKULL, NO BACKBONE."

More CWD Information

wildlife.ca.gov/cwd
www.cdc.gov/prions/cwd/index.html
cwg-info.org/

What California is Doing

1. Importation of captive cervids is tightly regulated and highly restricted.
2. Import restrictions on hunter-harvested deer and elk carcasses and parts Bans on baiting and feeding of Big Game.
3. CWD testing at volunteer sampling stations and participating meat processors and taxidermists during hunting season

Increased Surveillance

Since 1999, California has tested approximately 4,500 deer and elk for CWD. To date, no CWD has been found in California deer or elk. However, the potential for CWD to spread to California's deer and elk populations still exists and surveillance for the disease remains important. The CDFW will be increasing CWD surveillance efforts throughout the state over the next few years. Hunters are a vital partner in these surveillance efforts and voluntary CWD check stations will be set-up to facilitate surveillance throughout the state. For additional information on surveillance in CA visit wildlife.ca.gov/cwd or contact The Wildlife Investigations Laboratory at 916-358-2790 or WILab@wildlife.ca.gov.

Disposal of Meat from CWD-Positive Animals

If you are notified that your out-of-state animal tested positive for CWD, contact your regional CDFW office (see page 3) or the Wildlife Investigations Laboratory at (916) 358-2790 for information. DO NOT DISCARD, only certain disposal methods are appropriate for CWD. The Department will facilitate incinerating or otherwise properly disposing of any meat or tissues.

Lacey Act

Transporting illegally taken game across state lines is a violation of the federal Lacey Act (T16, US Code 1406). Such transport, if done in connection with commercial activity, may be classified as a felony.

Bringing Game Back to California

In order to bring back your game from another state, you must have the form Declaration for Entry Into California of Game, Fish, Birds, or Animals filled out and carried while you are transporting the game.
